

Press Release

March 15, 2024

Lover's Lane Bridge

On Monday March 18th, a crane will be delivered to the Lover's Lane Bridge project and on Tuesday March 19th, the bridge beams will be delivered and installed. On both days, Lover's Lane will be closed intermittently while the crane is delivered and the beams are installed. Police Officers and Traffic Flagmen will be on site both days. Any emergency vehicles requiring to cross the Lover's Lane Bridge will be given first priority. Any questions or concerns, you can email Jeff Pardo, Assistant Director of Public Works/Facilities Manager at jeff.pardo@wiltonct.org.
