## HELP WILTON HONOR ITS FALLEN VETERANS

Historically, Wilton citizens have responded with courage and fortitude when called to protect the freedom and rights that we all enjoy today. From the French and Indian War in the mid-1700's to this day, Wilton men and women have served at home and abroad. Many sacrificed their lives in service to their country.

To honor all of our community's fallen veterans, a project has been planned to install a centrally located flagpole and a memorial at the corner of Center Street and Old Ridgefield Road. The Veterans Memorial Green brochure highlights our plans for this very worthy community-wide project. We are asking all Wilton citizens, veterans, businesses, social organizations and schools to help by joining the committee's efforts to raise the necessary funds to create this lasting memorial to honor Wilton's fallen heroes.

The Veterans Memorial Committee urges your support and assistance in raising the necessary funds, in remembrance of those who gave so much for all of us. Contributions of \$250, \$500, \$1,000 or more will be given special recognition, but all contributors will receive an official commendation certificate.

Checks should be made payable to the Town of Wilton and all donations are tax deductible. For your convenience, payment by credit cards may be made by accessing the Town's website: [www.wiltonct.org](http://www.wiltonct.org) and clicking on the Veterans Memorial Green link.

With the entire community's help and generosity, we hope to complete this project by Veterans Day on November 11, 2010. It is a challenging goal, but we can do it, if we are able to quickly raise the required funds to proceed. Contributions to the memorial will show our appreciation to the courageous veterans who gave their lives in defense of the values we cherish.
