

Final Official Statement Dated April 25, 2019

NEW ISSUE: Book-Entry-Only

RATINGS: Moody's Investors Service "Aaa"

In the opinion of Bond Counsel, based on existing statutes and court decisions and assuming continuing compliance with certain covenants and procedures relating to requirements of the Internal Revenue Code of 1986, as amended (the "Code"), interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of computing the federal alternative minimum tax. In the opinion of Bond Counsel, based on existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax. See "Tax Matters" herein.

Baird

The Bonds will be general obligations of the Town of Wilton, Connecticut (the "Town") and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. (See "Security and Remedies" herein).

The Bonds will bear interest payable on November 1, 2019 and semiannually thereafter on May 1 and November 1 in each year until maturity or earlier redemption. The Bonds are issuable only as fully registered bonds, without coupons, and when issued, will be registered in the name of Cede & Co., as Bondowner and nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Bonds. Purchases of the Bonds will be made in book-entry-only form, in the denomination of \$5,000 and any integral multiple thereof. Purchasers will not receive certificates representing their ownership interest in the Bonds. So long as Cede & Co. is the Bondowner, as nominee of DTC, reference herein to the Bondowner or owners shall mean Cede & Co. as aforesaid, and shall not mean the Beneficial Owners (as described herein) of the Bonds. (See "Book-Entry-Only Transfer System" herein).

The Registrar, Transfer Agent, Paying Agent, and Certifying Agent for the Bonds will be U.S. Bank National Association, of Hartford, Connecticut.

The Bonds are subject to redemption prior to maturity, as more fully described herein. (See "Redemption Provisions" herein).

The Bonds are offered for delivery when, as and if issued, subject to the approving opinion of Robinson & Cole LLP, Bond Counsel, of Hartford, Connecticut. It is expected that delivery of the Bonds in book-entry-only form will be made to DTC on or about May 6, 2019.

No dealer, broker, salesman or other person has been authorized by the Town to give any information or to make any representations, other than those contained in this Official Statement or any supplement, which may be issued hereto, and if given or made, such other information or representations must not be relied upon as having been authorized by the Town. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Bonds by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale.

This Official Statement has been prepared only in connection with the initial offering and sale of the Bonds and may not be reproduced or used in whole or in part for any other purpose. The information, estimates and expressions of opinion in this Official Statement are subject to change without notice. Neither the delivery of this Official Statement nor any sale of the Bonds shall, under any circumstances, create any implication that there has been no material change in the affairs of the Town since the date of this Official Statement.

The information set forth herein has been obtained by the Town from sources which are believed to be reliable but it is not guaranteed as to accuracy or completeness. Certain information in this Official Statement has been obtained by the Town from other sources. Neither the Town nor the Municipal Advisor guaranty the accuracy or completeness of such information, and such information is not to be construed as a representation of any of the foregoing.

The independent auditors for the Town are not passing upon and do not assume responsibility for the accuracy or completeness of the financial information presented in this Official Statement (other than matters expressly set forth in their opinion in Appendix A), and they make no representation that they have independently verified the same.

Other than as to matters expressly set forth in Appendix B and in "Tax Matters" herein, Bond Counsel is not passing on and does not assume any responsibility for the accuracy or adequacy of the statements made in this Official Statement and make no representation that it has independently verified the same.

The Bonds have not been registered under the Securities Act of 1933, as amended, nor have the Bonds been registered under any state securities laws.

The Town deems this Official Statement to be "final" for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but it is subject to revision or amendment.

The Town currently files its official statements for primary offerings with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access ("EMMA") system. In accordance with the requirements of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, the Town will agree to provide or cause to be provided (i) annual financial information and operating data, (ii) a notice of the occurrence of certain events within 10 business days of the occurrence of such events, and (iii) timely notice of a failure by the Town to provide the required annual financial information on or before the date specified in the Continuing Disclosure Agreement. The Continuing Disclosure Agreement shall be executed in substantially the form attached as Appendix C to this Official Statement.

On April 1, 2019, Baird Financial Corporation, the parent company of Baird, acquired HL Financial Services, LLC, its subsidiaries, affiliates and assigns (collectively "Hilliard Lyons"). As a result of such common control, Baird, Hilliard Lyons and Hilliard Lyons Trust Company are now affiliated. It is expected that Hilliard Lyons will merge with and into Baird later in 2019.

I. Introduction

This Official Statement is provided for the purpose of presenting certain information relating to the Town of Wilton, Connecticut (the "Town"), in connection with the original issuance and sale of its \$3,600,000 General Obligation Bonds, Issue of 2019 (the "Bonds").

This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds. The information and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstance, create any implication that there has been no change in the affairs of the Town since the date hereof. Any statements in this Official Statement involving matters of opinion or estimates, whether or not expressly so stated, are intended as such and not as representation of fact. No representation is made that any of such statements will be realized. All quotations from and summaries and explanations of provisions of laws contained in this Official Statement do not purport to be complete and are qualified in their entirety by reference to the official compilations thereof.

The Bonds are being offered for sale by public bidding. A Notice of Sale for the Bonds dated April 15, 2019 has been furnished to prospective bidders. Reference is made to the Notice of Sale for the terms and conditions of the bidding.

U.S. Bank National Association will act as Registrar, Transfer Agent, Paying Agent, and Certifying Agent for the Bonds.

The independent auditors for the Town are not passing upon and do not assume responsibility for the accuracy or completeness of the financial information presented in this Official Statement (other than matters expressly set forth in their opinion in Appendix A), and they make no representation that they have independently verified the same.

Bond Counsel is not passing upon and does not assume responsibility for the accuracy or adequacy of the statements made in this Official Statement (other than matters expressly set forth as their opinion in Appendix B) and makes no representation that it has independently verified the same.

The information set forth herein has been obtained by the Town, from sources which are believed to be reliable, but it is not guaranteed as to accuracy or completeness.

The information, estimates and expressions of opinion herein are subject to change without notice and neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the Town since the date of the Official Statement.

Municipal Advisor

Phoenix Advisors, LLC, of Milford, Connecticut has served as Municipal Advisor to the Town with respect to the issuance of the Bonds (the "Municipal Advisor"). The Municipal Advisor is not obligated to undertake, and has not undertaken, either to make an independent verification of or to assume responsibility for the accuracy, completeness, or fairness of the information contained in the Official Statement and the appendices hereto.

The Municipal Advisor is an independent firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities.

Description of the Bonds

The Bonds will be dated the date of delivery and will mature as described on the front cover of this Official Statement. The Bonds will bear interest payable on November 1, 2019 and semiannually thereafter on May 1 and November 1 in each year until maturity, or earlier redemption, as set forth on the front cover of this Official Statement. Interest will be calculated on the basis of twelve 30-day months and a 360-day year. Interest is payable to the registered owner as of the close of business on the fifteenth day of April and October, in each year, or preceding business day if such fifteenth day is not a business day, by check mailed to the registered owner or, so long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, by such other means as DTC and the Town shall agree. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 and integral multiples thereof, with transfers of ownership effected on the records of DTC, and its participants pursuant to rules and procedures established by DTC and its participants. See "Book-Entry-Only Transfer System."

Redemption Provisions

The Bonds maturing on or before May 1, 2024 are not subject to redemption prior to maturity. The Bonds maturing May 1, 2025 and thereafter are subject to redemption prior to maturity, at the election of the Town, on or after May 1, 2024 at any time, in whole or in part and by lot within a maturity, in such amounts and in such order of maturity as the Town may determine, at the respective prices (expressed as a percentage of the principal amount of the Bonds to be redeemed), set forth in the following table, plus interest accrued and unpaid to the redemption date:

<i>Redemption Dates</i>	<i>Redemption Prices</i>
May 1, 2024 and thereafter	100%

Notice of redemption shall be given by the Town or its agent by mailing a copy of the redemption notice by first-class mail at least thirty (30) days prior to the redemption date to the registered owner of the Bonds at the address of such registered owner as the same shall last appear on the registration books for the Bonds kept for such purpose. Failure to give such notice by mailing to any registered owner, or any defect therein, shall not affect the validity of the redemption of any other Bonds. Upon the giving of such notice, if sufficient funds available solely for redemption are on deposit with the Paying Agent, the Bonds or portions thereof so called for redemption will cease to bear interest after the specified redemption date.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Town in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 and a multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Town, so long as Cede & Co., as nominee of the Depository Trust Company (“DTC”), is the registered owner of the Bonds, will send any notice of redemption only to DTC (or successor securities depository) or its successor nominee. Any failure of DTC to advise any DTC Participant or of any DTC Participant or Indirect Participant to notify any Indirect Participant or Beneficial Owner, of any such notice and its contents or effect will not affect the validity of the redemption of such Bonds called for redemption. Redemption of a portion of the Bonds of any maturity by the Town will reduce the outstanding principal amount of Bonds of such maturity held by DTC. In such event it is the current practice of DTC to allocate by lot, through its book-entry system, among the interests held by DTC Participants in the Bonds to be redeemed, the interest to be reduced by such redemption in accordance with its own rules or other agreements with DTC Participants. The DTC Participants and Indirect Participants may allocate reductions of the interest in the Bonds to be redeemed held by the Beneficial Owners. Any such allocations of reductions of interests in the Bonds to be redeemed will not be governed by the determination of the Town authorizing the issuance of the Bonds and will not be conducted by or the responsibility of the Town. See “Book-Entry-Only Transfer System”.

Authorization and Purpose

Authorization: The Bonds are being issued pursuant to Title 7 of the General Statutes of Connecticut, as amended, the charter of the Town and certain bond resolutions approved at various Town Meetings.

Purpose: Proceeds of the Bonds will be used to finance the following projects:

<i>Project</i>	<i>Bonds</i>	
	<i>Authorized</i>	<i>The Bonds</i>
Field Replacement.....	\$ 700,000	\$ 694,518
Bus Barn.....	400,000	199,435
Road Improvements.....	3,000,000	2,706,047
Total.....	\$ 4,100,000	\$ 3,600,000

Tax Matters

The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements which must be met at and subsequent to delivery of the Bonds in order that interest on the Bonds be and remains excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. The Tax Regulatory Agreement, which will be executed and delivered by the Town concurrently with the Bonds, contains representations, covenants and procedures relating to the use, expenditure and investment of proceeds of the Bonds in order to comply with such requirements of the Code. Pursuant to the Tax Regulatory Agreement, the Town also covenants and agrees that it shall perform all things necessary or appropriate under any valid provision of law to ensure interest on the Bonds shall be excluded from gross income for federal income tax purposes under the Code.

In the opinion of Bond Counsel, based on existing statutes and court decisions and assuming continuing compliance by the Town with its covenants and the procedures contained in the Tax Regulatory Agreement, interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of computing the federal alternative minimum tax.

Ownership of the Bonds may also result in certain collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, certain foreign corporations doing business in the United States, certain S corporations with excess passive income, individual recipients of Social Security and Railroad Retirement benefits, taxpayers utilizing the earned income credit and taxpayers who have or are deemed to have incurred indebtedness to purchase or carry tax exempt obligations, such as the Bonds. Prospective purchasers of the Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of ownership and disposition of, or receipt of interest on, the Bonds.

In the opinion of Bond Counsel, based on existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax.

Legislation affecting the exclusion from gross income of interest on State or local bonds, such as the Bonds, is regularly under consideration by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not reduce or eliminate the benefit of the exclusion from gross income of interest on the Bonds or adversely affect the market price of the Bonds.

The opinions of Bond Counsel are rendered as of their date and are based on existing law, which is subject to change. Bond Counsel assumes no obligation to update or supplement its opinions to reflect any facts or circumstances that may come to their attention, or to reflect any changes in law that may thereafter occur or become effective.

Prospective purchasers of the Bonds are advised to consult their own tax advisors regarding other State and local tax consequences of ownership and disposition of and receipt of interest on the Bonds.

Original Issue Premium

The initial public offering price of certain maturities of the Bonds may be greater than the principal amount payable on such Bonds at maturity. The excess of the initial public offering price at which a substantial amount of these Bonds are sold over the principal amount payable at maturity or on earlier call date constitutes original issue premium. The offering prices relating to the yields set forth on the cover page of this Official Statement are expected to be the initial public offering prices at which a substantial amount of the Bonds were ultimately sold to the public.

Under Sections 1016 and 171 of the Code, the amount of original issue premium treated as amortizing with respect to any Bond during each day it is owned by a taxpayer is subtracted from the owner’s adjusted basis for purposes of determining gain or loss upon the sale or other disposition of such Bonds by such owner. Amortized original issue premium on the Bonds is not treated as a deduction from gross income for federal income tax purposes. Original issue premium on any bond is treated as amortizing on the basis of the taxpayer’s yield to maturity using the taxpayer’s cost basis and a constant semiannual compounding method. Prospective purchasers of the Bonds should consult their own tax advisors with respect to the federal, state and local income tax consequences of the disposition of and receipt of interest on the Bonds.

School Projects

Pursuant to Public Act No. 97-11 of the June Special Session of the 1997 Connecticut General Assembly, the State of Connecticut will provide proportional progress payments for eligible school construction expenses on projects approved after July 1, 1996.

Debt service reimbursement will continue under the prior reimbursement program for all projects approved prior to July 1, 1996. Under the old program, a municipality would issue bonds for the entire amount of a school construction project and the State of Connecticut would reimburse the Town for principal and interest costs for eligible school construction projects over the life of the municipality's outstanding school bonds and subsequent bond issues necessary to completely fund a project.

Under the new program, the State of Connecticut will make proportional progress payments for eligible construction costs during project construction. The State grant will be paid directly to the municipality after it submits its request for progress payments, and accordingly, the municipality will issue its bonds only for its net share of project costs.

Book-Entry-Only Transfer System

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a S&P Global Ratings rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Town or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Town or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Town believes to be reliable, but the Town takes no responsibility for the accuracy thereof.

DTC Practices

The Town can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Bonds act in a manner described in this Official Statement. DTC is required to act according to rules and procedures established by DTC and its participants which are on file with the Securities and Exchange Commission.

Replacement Bonds

In the event that: (a) DTC determines not to continue to act as securities depository for the Bonds, and the Town fails to identify another qualified securities depository for the Bonds to replace DTC; or (b) the Town determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds, the Town is authorized to issue fully registered Bond certificates directly to the Beneficial Owner. A Beneficial Owner of the Bonds, upon registration of certificates held in such Beneficial Owner's name, will become the registered owner of the Bonds.

Security and Remedies

The Bonds will be general obligations of the Town and the Town will pledge its full faith and credit to the payment of the principal of and interest on the Bonds when due.

Unless paid from other sources, the Bonds are payable from general property tax revenues. The Town has the power under Connecticut statutes to levy ad valorem taxes on all taxable property in the Town without limitation as to rate or amount, except as to certain classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts.

Payment of the Bonds is not limited to property tax revenues or any other revenue source, but certain revenues of the Town may be restricted as to use and therefore may not be available to pay debt service on the Bonds.

There are no statutory provisions for priorities in the payment of general obligations of the Town. There are no statutory provisions for a lien on any portion of the tax levy or other revenues to secure the Bonds, or judgments thereon, in priority to other claims.

The Town is subject to suit on its general obligation debt and a court of competent jurisdiction has power in appropriate proceedings to render a judgment against the Town. Courts of competent jurisdiction also have power in appropriate proceedings to order a payment of a judgment on such debt from funds lawfully available therefore or, in the absence thereof, to order the Town to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising their discretion as to whether to enter such an order, the courts could take into account all relevant factors including the current operating needs of the Town and the availability and adequacy of other remedies.

Enforcement of a claim for payment of principal of or interest on such debt would also be subject to the applicable provisions of Federal bankruptcy laws and to provisions of other statutes, if any, hereafter enacted by the Congress or the Connecticut General Assembly extending the time for payment or imposing other constraints upon enforcement insofar as the same may be constitutionally applied. Under the federal bankruptcy code, the Town may seek relief only, among other requirements, if it is specifically authorized, in its capacity as a municipality or by name, to be a debtor under Chapter 9, Title 11 of the United States Code, or by state law or by a governmental officer or organization empowered by state law to authorize such entity to become a debtor under such Chapter. Section 7-566 of the Connecticut General Statutes, as amended, provides that no Connecticut municipality shall file a petition in bankruptcy without the express prior written consent of the Governor. This prohibition applies to any town, borough, metropolitan district and any other political subdivision of the State having the power to levy taxes and issue bonds or other obligations.

Qualification for Financial Institutions

The Bonds shall be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

Availability of Continuing Information

The Town prepares, in accordance with state law, annual independent audited financial statements and files such annual report with the State Office of Policy and Management within six months of the end of its fiscal year.

In accordance with the requirements of Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, the Town will agree to provide, or cause to be provided, (i) annual financial information and operating data, (ii) notice of the occurrence of certain events within ten (10) business days of the occurrence of such events, and (iii) timely notice of the failure by the Town to provide the annual financial information on or before the date specified in the Continuing Disclosure Agreement to be executed by the Town substantially in the form attached as Appendix C to this Official Statement.

The Town has previously undertaken in continuing disclosure agreements for the benefits of holders of certain of its bonds and notes to provide certain annual financial information and event notices pursuant to Rule 15c2-12(b)(5). In the last five years, the Town has not failed to comply, in all material respects, with its previous undertakings in such agreements.

Ratings

Moody's Investors Service, Inc. ("Moody's") has assigned a rating of "Aaa" on the Bonds. The Town furnished to Moody's certain information and materials, some of which may not have been included in this Official Statement.

The rating reflects only the view of the rating agency and is subject to revision or withdrawal, which could affect the market price of the Bonds. Moody's should be contacted directly for information regarding its rating on the Bonds. No application was made to any other rating agencies for the purpose of obtaining ratings on outstanding securities of the Town.

Connecticut

Description of the Municipality

The Town operates under a charter first granted in 1802 and most recently revised in 2009. The Town is located north of the City of Norwalk, west of the Town of Weston, and east of the Town of New Canaan in Fairfield County, Connecticut. Wilton is 55 miles from midtown Manhattan and is within easy driving distance from Westchester County, New York. U.S. Route 7, and State Highways 33, 53, 106 and 107 traverse the Town. Rail service is provided by Metro North at two stations.

Although commercial development in Wilton was approximately 2.0% of the land area in 2017, it accounted for 14.3% of the Total Net Taxable Grand List of October 1, 2018. Top employers in Wilton include ASML, who recently expanded their operations, Bridgewater Associates, Tauck, Inc., Wilton Meadows and Melissa & Doug LLC. The composition of the remaining employers is primarily in retail trade and offices located in two main shopping areas and along a vibrant retail shopping corridor on Route 7 from the Norwalk line to one mile north of the center of Wilton.

Description of Government

The Town was incorporated in 1802, and operates with a Board of Selectmen, Board of Finance and Town Meeting form of government pursuant to the Connecticut Home Rule Act of 1957.

Municipal Services

Public Safety

Police Department: The Wilton Police Department's authorized staffing consists of 44 sworn officers and three civilian employees consisting of two full time dispatchers and one administrative assistant to the chief. The police department operates a Neighborhood Watch Program which began in 1984. The program incorporates a proactive approach by the community which results in the enforcement of laws and aids in the prevention of criminal activity.

Sworn police officers receive ongoing training under state mandates. Police officer certification is achieved through training at the Connecticut Police Academy as well as roll call training, plus attendance at specialized-training schools. The police department assigns two full-time School Resource Officers. A regular part of the school curriculum at the elementary level is the "Officer Friendly" program. The School Resource Officers coordinate sessions on safety, drug, and alcohol abuse by youth, and provide counseling and advice to many youth-related special interest groups. More importantly, the School Resource Officers provide an additional layer of intervention and protection within the school system.

In addition to motorized patrols, the police department utilizes a "bike patrol" community policing initiative for routine patrolling and during special events. The police department facilitates all road signs and road markings including new installations and routine maintenance. The police department has four car seat installation technicians who assist and educate the public in the proper installation of their child safety car seat.

The police department consists of State certified and are designated first responders trained at the EMR level, belongs to a six town regional Emergency Response Team (SWERT), and collaborates with the Wilton Fire Department in a joint SCUBA Team. The police department achieved CT POSTC accreditation on March 7, 2019.

This past calendar year the police department received a significant increase in pistol permit applications similar to most communities in Connecticut. The police department is required to process, investigate and ultimately determine if a pistol permit applicant is eligible for such a permit. The police department provides fingerprinting for all school applicants and for residents who are required to be fingerprinted for other liabilities.

The police department is actively committed to providing service to the community and engages in many community policing initiatives while maintaining transparency and accountability to its citizens. The police department hosts an annual citizen police academy allowing interested citizens to engage in all aspects of police work. The CPA provides an avenue for the officers to interact with citizens in a positive role. A town-wide survey administered in the fall of 2018 resulted in a 97% approval rating by the Wilton Community.

Fire Department: The Wilton Fire Department consists of 28 full-time career firefighters plus an apparatus maintenance supervisor and a full-time administrative secretary. They take pride in being a "community first" organization displayed by their compassion, professionalism, philanthropy and their ability to get the job done. The fire vehicle fleet consists of three engines, one engine/tanker, one ladder truck and six support vehicles operating from two fire stations. All firefighters receive training from, and are certified through, the Connecticut State Fire Academy. All operational shift career firefighters and officers are State Certified Emergency Medical Technicians. In addition to providing fire suppression, the department provides basic life support services during medical emergencies, hazardous materials response, dive rescue, heavy rescue, fire code inspection, fire investigation, and fire and life safety prevention educational services. The department actively participates in fire emergency mutual aid agreements with

all six neighboring communities or departments, automatic mutual aid response agreements with five neighboring communities as well as the Statewide Fire Emergency Response Plan. The department is a charter member of the Fairfield County Hazardous Material Response Team and has eight members trained to the Hazardous Materials “Technician” level. All other firefighters are trained to the “Operations Level” in accordance with OSHA1910.120(q). The Insurance Services Office (ISO) gives Wilton a primary fire insurance rating of nine on a scale of one to ten (with one being the highest rating) in the northern 2/3 of the town where there are no water mains or fire hydrants. In this section of town, the fire department transports 4,000 gallons of water on mobile apparatus to the scene, in order to start fire operations while mutual aid is en route. In the downtown area where there are water mains and fire hydrants, the ISO rating is 4.

Ambulance and Paramedic Services: Emergency medical care and transportation in Wilton are provided by the not for profit 501 (c)(3) corporation, Wilton Volunteer Ambulance Corps, Inc. (WVAC), from facilities owned by the Town. Emergency services are provided by WVAC personnel or paid staff from Norwalk Hospital (Emergency Medical Technicians, Emergency Medical Responders, and drivers) who are on duty 24/7, 365 days a year. WVAC owns two fully equipped ambulances and responded to 1,403 calls in 2018.

Wilton-Weston Advanced Life Support Association, Inc. is a not for profit corporation formed by the towns of Wilton and Weston for the sole purpose of providing 24 hour paramedic coverage for both towns. This entity contracts with Norwalk Hospital to provide the dedicated paramedic personnel. Paramedics respond from facilities owned by the Town.

Wilton Library Association, Inc.

The Wilton Library (“Library”) has served as the principal public library for the Town since 1895. The Library and its contents are owned by the Wilton Library Association, Inc., which is governed by a Board of Trustees of 24 members. Eighteen of the trustees are elected directly by the members of the Association and six are appointed by the Board of Selectmen prior to their election by Association members.

Since 1919, the Library has received partial funding from the Town. Currently approximately 75% of the annual budget is funded by an appropriation from the Town’s General Fund. The Board carries out an annual appeal campaign for the purchase of all Library collection materials. The remainder of operating costs and some major capital expenditures are funded by the Association through fund raising events, sponsorships, grants and fees. Ninety percent of the construction cost of the Library building, in 1973, came from private donations. The balance was paid for with Federal Revenue Sharing funds. In response to growing use of its facility and services, the Library completed an \$11.4 million expansion and renovation in March 2006. Funding for the project included \$4.8 million from bonding authorized by the Town Meeting in May 2003. Additional funds came from the State of Connecticut in the amount of \$500,000 and private donations in the amount of \$6.1 million. As of June 2018, pledge payments and collected contributions total \$6,065,400 not including the grant. A purchase of adjacent property in 1996 enabled the expansion to be logistically feasible. It was financed with \$305,000 of Town bonds. The Library has reimbursed the Town for this debt service.

The Library is located in the heart of Wilton Center. Currently, 577,954 print and audiovisual resources, electronic databases, print and online magazines, newspapers, DVDs, videos, music CDs, and other items comprise its lending collections. Additionally, the Library offers a collection of downloadable e-books, audiobooks, magazines, tutorials, streaming music, and streaming movies. The Library was visited by 273,257 people to use materials and computers or attend programs from July 2017 through June 2018. Over the same period, there were 73,612 visits to the Library’s website which included locating, reserving, and renewing items, using electronic databases and other electronic resources, and interacting with its reference staff. There were 910 programs which took place during the year, with concerts, lectures, training programs, literary discussions, story times, and makers’ workshops in its new Innovation Station which offered 3D printing, robotics, and other STEAM related initiatives to 27,824 adults, teens, and children.

Parks and Recreation

The Town has approximately 219 acres of developed recreation facilities. The Parks and Recreation Department also uses eight school sites for playgrounds and athletic activities which account for 165 acres. The Town’s Park System has 44 acres of developed land. Below is a list of those facilities and their descriptive use.

- Merwin Meadows Park (17 acres) - swimming pond, athletic field, picnic facilities, playground, basketball court.
- Middlebrook Multi-Purpose Athletic Field (7 acres).
- Post Athletic Field (4 acres).
- Allen’s Meadows - six athletic fields (four of the six athletic fields are on state owned property).
- Gilbert and Bennett – athletic field, playground (4 acres).
- Comstock Community Center - indoor recreation facilities, 2 outdoor lighted basketball courts, athletic field (10 acres), 1 baseball field and 1 soccer field.
- In addition there are 12 athletic fields, 1 lighted baseball diamond, 3 softball diamonds, one of which is lighted, along with two synthetic turf athletic fields, and an all-weather track. The stadium and high school baseball and softball fields are illuminated for night events. There is also one lighted field at Middlebrook School.
- 12 Tennis Courts, 8 of which are lighted.
- Ambler Farm – Two rectangular fields.
- Lions Park - picnic pavilion, horseshoe pits, little league baseball field and fishing access.

Water Commission

The Wilton Water Commission was established in 1987 to study, manage and protect water resources serving the Town; to establish and maintain public water supply system(s); to provide for the furnishing of water by contract or otherwise; to extend or provide for the extension of water mains; and to exercise such powers as may be necessary or incidental thereto pursuant to the Connecticut General Statutes and the Code of the Town.

The Commission consists of six members, five of whom are appointed by the Board of Selectmen for five-year terms. By Town ordinance, the First Selectman is the Chairman of the Commission and exercises full voting powers.

If, after conducting a public hearing, the Commission votes to proceed on a project, it then requests an appropriation from the Board of Selectmen. The appropriation and any required authority to issue Town of Wilton general obligation bonds are submitted to the Board of Finance and then to the Town Meeting.

After completion of construction, the Commission levies special assessments upon benefited properties. At the Commission's discretion, assessments may be paid over a period of years, not to exceed ten, at an interest rate that cannot be less than the interest rate on any bonds issued to finance construction of a water project. Unpaid assessments are secured by liens against the properties.

Arrangements for connecting to mains, provision of water service and billing and payment therefore are between the property owners and the utility companies. Neither the Town nor the Water Commission is responsible for the collection of user charges.

The Water Commission is responsible for ensuring that the following projects are properly serviced and maintained in accordance with the agreement with the appropriate utility company:

<i>Project</i>	<i>Year Completed</i>	<i>Number of Properties</i>	<i>Utility Company</i>

Wilton Water Pollution Control Authority (WPCA)

The Water Pollution Control Authority (the "WPCA") was established in 1977 pursuant to Sec. 7-246 of the Connecticut General Statutes. The WPCA consists of six members, five of whom are appointed by the Board of Selectmen for five-year terms. By Town ordinance the First Selectman is the Chairman of the WPCA with full voting powers. The WPCA may exercise all of the powers granted under Chapter 103 of the Connecticut General Statutes, as amended.

Upon completion of a sewer construction, acquisition or improvement, the WPCA levies special assessments upon benefited properties which take into account lot size, assessed value and "units of use" as established by the WPCA. The assessments are secured by liens on the properties. Special assessments may be paid in single payments or annual installments, with interest. Under the Connecticut General Statutes, sewer assessments can only be used to construct, improve or expand sewer facilities, or to pay debt service on obligations issued for such purposes. The Town presently has no outstanding sewer-related debt.

Currently, approximately 780 properties in the Town are "sewered." Treatment is provided by the City of Norwalk under a contract with the WPCA. The WPCA is billed annually by Norwalk under a formula, which takes into account volume of treated effluent and the operating and capital costs of the Norwalk Treatment Plant and Norwalk's debt service on system improvements serving Wilton. The WPCA adopts an annual operating budget upon which user charges are based. User charges are flat fees, which are based upon "units of use" as opposed to actual usage, and are due in July of each year and are collected by the Tax Collector of the Town. The user charge for fiscal year 2019 is \$219.00 per unit of use. Delinquent user charges are secured by liens against the properties.

Municipal Solid Waste

Effective January 1, 2014, the Town entered into a five and one half year agreement with City Carting, Inc. (“City Carting”) for the disposing of municipal solid waste (“MSW”). There is no minimum or maximum tonnage that the Town is required to deliver to City Carting. The Town will pay City Carting \$80.00 per ton of delivered MSW with a 3% increase per year beginning July 1, 2015. Effective January 1, 2014, the Town entered into an agreement with City Carting for recyclable materials. The agreement runs from January 1, 2014 through June 30, 2019. The Town receives \$20.00 for each ton of recyclable material delivered to City Carting.

The Town is in the process of negotiating a new contract for disposal services for both MSW and recyclable materials to begin July 1, 2019. At the present time, the Town anticipates that both MSW & Recycling costs will increase approximately 6%. The Town estimates that it will no longer receive a rebate on recyclable material and may be required to pay a tipping fee for the disposal.

The Town charges fees to commercial haulers and residents who use the Town’s Transfer Station. Operations of the Transfer Station are accounted for in an enterprise fund, subsidized by annual appropriations from the general fund, mainly to support recycling activities. The maximum annual subsidies have been as follows:

<i>Fiscal Year</i>	<i>Subsidy</i>
2020	\$375,000
2019	275,000
2018	275,000
2017	375,000
2016	275,000

Education System

The Board of Education consists of six members, each of whom serves a four year term of office. Three members are elected at one regular Town election; three members are elected at the next succeeding regular Town election; and so forth alternately. Under the provisions of the Connecticut General Statutes sec. 10-220, the Board “shall maintain good public elementary and secondary schools, implement the educational interests of the state...and provide such other educational activities as in its judgments will best serve the interests of the school district.” Two elementary schools, one middle school, and one high school provide educational programs to students in grades pre-kindergarten special education through twelve.

In the last ten years, the (K-5) elementary student population has decreased by 19.3%, the middle school (grades 6-8) has decreased by 2.8%, and the high school has decreased by 1.4%. The enrollment for school year as of October 1, 2018 totaled 3,933 pupils pre-K through grade 12. Projections for 2019 through 2021 estimate the elementary school population will increase by 0.03%, the middle school population will decrease by 0.11%, and the high school population will decrease by 0.03%.

Over the last decade the Town has completed major capital programs which provided for the expansion of Middlebrook and Wilton High schools and for the expansion and complete renovation of Cider Mill School. In addition, in October 2014 the Town approved approximately \$50 million for renovations and additional space at Miller-Driscoll school to bring the building up to code, address HVAC issues and accommodate the needs of the pre-K program. That project has been completed and bonded for. Future bonding, as proposed in the 5-year capital improvement program, will be for improvements and upgrades to existing school facilities.

General Statutes Sections 7-473c, 7-474 and 10-153a through 10-153n provide a procedure for binding arbitration of collective bargaining agreements between municipal employers and organizations representing municipal employees, including certified teachers and certain other employees. The legislative body of an affected municipality may reject the arbitration panel's decision by a two-thirds majority vote. The State and the employee organization must be advised in writing of the reasons for rejection. The State will then appoint a new panel of either one or three arbitrators to review the decisions on each of the rejected issues. The panel must accept the last best offer of either party. In reaching its determination, the arbitration panel shall give priority to the public interest and the financial capability of the municipal employer, including consideration of other demands on the financial capability of the municipal employer. For binding arbitration of teacher's contracts, in assessing the financial capability of the municipality, there is an irrefutable presumption that a budget reserve of 15% or less is not available for payment of the cost of any item subject to arbitration. In the light of the employer's financial capability, the panel shall consider prior negotiations between the parties, the interests and welfare of the employee group, changes in the cost of living, existing employment conditions, and the wages, salaries, fringe benefits, and other conditions of employment prevailing in the labor market, including developments in private sector wages and benefits.

IV. Tax Base Data

Property Tax

Assessments

The maintenance of an accurate tax base and the location and appraisal of all real and personal property within the Town for inclusion in the Grand List are the responsibilities of the Assessor. The Grand List represents the total of assessed value for all taxable real and personal property located within the Town as of October 1. A Board of Assessment Appeals determines whether adjustments to the Assessor's list on assessments under appeal are warranted. Assessments are computed at seventy percent (70%) of market value at the time of the last completed revaluation (Grand List 10/1/18).

Under Section 12-62 of the Connecticut General Statutes, the Town must revalue all real estate by physical inspection no later than ten years following the preceding physical inspection. The Town must conduct a statistical revaluation no later than five years after the last physical inspection. Wilton's next revaluation is October 1, 2022.

When a new structure or modification to an existing structure is undertaken, the Assessor's Office receives a copy of the permit issued by the Building Inspector. A physical appraisal is then completed and the structure classified and priced from a schedule developed as of the revaluation. Property depreciation and obsolescence factors are also considered when arriving at an equitable value.

Motor vehicle lists are furnished to the Town by the State of Connecticut and appraisals of motor vehicles are accomplished in accordance with an automobile price schedule developed by the Connecticut Association of Assessing Officials and as recommended by the State Office of Policy and Management. Section 12-71b of the Connecticut General Statutes provides that motor vehicles which are registered with the Commissioner of Motor Vehicles after the October 1 assessment date but before the next August 1 are subject to a property tax as if the motor vehicle had been included on the October 1 Grand List. The tax is prorated, and the proration is based on the number of full months of ownership from the date of registration to the end of the assessment year (September 30). Cars purchased in August and September are not taxed until the next October 1 Grand List. If the motor vehicle replaces a motor vehicle that was taxed on the October Grand List, the taxpayer is entitled to certain credits.

Connecticut General Statutes Section 12-71e, as amended, allows municipalities to tax motor vehicles at a different rate than other taxable property, but caps the motor vehicle tax rate at 39.00 mills for the assessment year commencing October 1, 2016, and 45.00 mills for the assessment year commencing October 1, 2017, and each assessment year thereafter. Section 4-66l of the General Statutes, as amended, diverts a portion of State collected sales tax revenue to provide funding to municipalities to mitigate the revenue loss attributed to the motor vehicle property tax cap. The Town's motor vehicle tax rate for the current 2017 assessment year (the fiscal year ending June 30, 2019) is 28.19 mills.

All business personal property (furniture, fixtures, equipment, machinery and leased equipment) is assessed annually. An assessor's check and audit is completed periodically. Assessments for both personal property and motor vehicles are computed at seventy percent (70%) of present market value.

Levy

Connecticut General Statutes Section 4-66l, as amended ("Section 4-66l"), creates certain disincentives on increasing adopted budget expenditures for municipalities in Connecticut. Beginning in fiscal year 2018, the Office of Policy and Management ("OPM") must reduce the amount of the municipal revenue sharing grant for those municipalities whose increase in its adopted budget expenditures, with certain exceptions, exceeds the previous fiscal year by 2.5% or more or the rate of inflation, whichever is greater (the "expenditure cap"). The reduction to the municipal revenue sharing grant will generally equal 50 cents for every dollar by which the municipality's adopted budget exceeds the expenditure cap. A municipality whose population increased from the previous fiscal year, as determined by OPM, may increase its adopted budget expenditures over the expenditure cap by an amount proportionate to its population growth. Section 4-66l requires each municipality to annually certify to the Secretary of OPM whether the municipality has exceeded the expenditure cap, and if so, the amount by which the expenditure cap was exceeded.

Under Section 4-66l, municipal spending does not include expenditures: (i) for debt service, special education, or costs to implement court orders or arbitration awards; (ii) associated with a major disaster or emergency declaration by the President or disaster emergency declaration issued by the Governor under the civil preparedness

law; (iii) for any municipal revenue sharing grant the municipality disburses to a district; or (iv) budgeting for an audited deficit, non-recurring grants, capital expenditures or payments on unfunded pension liabilities.

Property taxes are levied on all assessed taxable property on the Grand List of October 1 prior to the beginning of the fiscal year. Tax bills are payable in two installments - July 1 and January 1, except for motor vehicle taxes, and tax bills under \$100, which are payable in one installment in July. Estimating a collection rate of less than 100% when computing anticipated property tax revenue from the current levy provides a margin against delinquencies, legal reductions, and Grand List adjustments, such as assessor corrections. Delinquent tax notices are mailed at least two times a year, with interest charged at the rate of one and one-half percent per month with a minimum charge of \$2. In accordance with state law, the oldest outstanding tax is collected first. Outstanding real estate tax accounts are automatically lien-ed each year prior to June 30 with legal demands and alias tax warrants are used in the collection of personal property and motor vehicle tax bills. Delinquent motor vehicle and personal property taxes that the Tax Collector deems uncollectable are annually transferred to suspense subject to approval of the Board of Finance. In Fiscal Year 2018, \$7,322 was transferred to suspense.

Under Section 12-129n of Connecticut General Statutes, the Town has a local tax relief program for qualified elderly and disabled taxpayers. Wilton's program permits tax deferrals, tax credits, or a combination thereof. Each fiscal year, deferred taxes bear interest at an annual rate set by the Board of Selectmen. Those annual rates were 2.75% in 2017 and 2.75% in 2018. Fiscal Year 2018 credits and deferrals are \$997,618 and \$84,373, respectively. Deferred taxes are secured by liens against the real estate to guarantee future collection.

Pursuant to state law, except for deferrals, all taxes uncollected 15 years from the original due date must be written off as uncollectable. In accordance with generally accepted accounting principles, taxes, interest and lien fees collected within 60 days after June 30 are accrued as revenue as of June 30.

Bond Authorization

The authorization of bonds, except for refunding bonds, shall be by resolution of the Town Meeting. The Board of Selectmen shall, in advance of such Town meeting, submit the bond resolution to the Board of Finance for review; should the Board of Finance object to any aspect of the bond resolution, it shall report its reasons to the Town Meeting. The Town Meeting may not amend any bond resolution. Immediately following adjournment of the Town Meeting, the voters shall vote for or against such proposal. Refunding bonds are authorized by the Board of Selectman pursuant to Section 7-370c of the General Statutes.

Maturities

Original issue general obligation (serial or term) bonds are required to be paid in maturities wherein a succeeding maturity may not exceed any prior maturity by more than 50%, or aggregate annual principal and interest payments must be substantially equal. The term of the issue may not exceed twenty years except in the case of sewer and school bonds which may mature in up to thirty years.

Temporary Financing

When general obligation bonds have been authorized, bond anticipation notes may be authorized and issued maturing in not more than two years (CGS Sec. 7-378). Temporary notes may be renewed up to ten years from their original date of issue as long as all project grant payments are applied toward payment of temporary notes when they become due and payable and the legislative body schedules principal reductions by the end of the third and each subsequent year during which such temporary notes remain outstanding in an amount equal to a minimum of 1/20th (1/30th for school and sewer projects) of the estimated net project cost (CGS Sec. 7-378a). The term of bonds issued for the project must be reduced by the amount of time temporary financing exceeds two years, or, for school and sewer projects, by the amount of time temporary financing has been outstanding.

Temporary notes must be permanently financed no later than ten years from the initial borrowing date except for school and sewer notes issued in anticipation of state and/or federal grants. If a written commitment exists, the municipality may renew temporary notes from time to time with a maturity date not to exceed six months from the issue date until such time the final grant payments are received (CGS Sec. 7-378b).

Temporary notes may also be issued for up to fifteen years for certain capital projects associated with the operation of a waterworks system (CGS Sec. 7-244a) or a sewage system (CGS Sec. 7-264a). In the first year following the completion of the project(s), or in the sixth year (whichever is sooner), and in each year thereafter, the notes must be reduced by at least 1/15 of the total amount of the notes issued by funds derived from certain sources of payment. Temporary notes may be issued in one year maturities for up to fifteen years in anticipation of sewer assessments receivable, such notes to be reduced annually by the amount of assessments received during the preceding year (CGS Sec. 7-269a).

Limitation of Indebtedness

Municipalities shall not incur indebtedness through the issuance of bonds which will cause the aggregate indebtedness by class to exceed the following:

General Purposes: 2.25 times annual receipts from taxation.

School Purposes: 4.50 times annual receipts from taxation.

Sewer Purposes: 3.75 times annual receipts from taxation.

Urban Renewal Purposes: 3.25 times annual receipts from taxation.

Unfunded Past Pension Purposes: 3.00 times annual receipts from taxation.

In no case, however, shall total indebtedness exceed seven times the base.

Annual receipts from taxation (the "base") are defined as total tax collections (including interest and penalties) and state payments for revenue loss under CGS Sections 12-129d and 7-528.

The statutes also provide for exclusion from the debt limit calculation debt issued in anticipation of taxes; for the supply of water, gas, electricity; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; and for two or more of such purposes. There are additional exclusions for indebtedness issued in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement, and for indebtedness issued in anticipation of the receipt of proceeds from state or federal grants evidenced by a written commitment or contract but only to the extent such indebtedness can be paid from such proceeds. The statutes also provide for exclusion from the debt limitation any debt to be paid from a funded sinking fund.

VI. Financial Administration

Fiscal Year

The Town's fiscal year begins July 1 and ends June 30.

Basis of Accounting

The Town's accounting policies are summarized in Note 1 of the Audited Financial Statements.

Budget Procedure

The Town uses the following schedule in the preparation and adoption of the annual General Fund Budget:

- All departments (except the Board of Education) submit their requests to the First Selectman on or prior to a date determined by the First Selectman.
- Requests are reviewed and modified as necessary prior to submission to the Board of Finance.
- The Board of Selectmen and the Board of Education must submit their requests to the Board of Finance at least 60 days prior to the Annual Town Meeting.
- The Board of Finance must hold public hearings at least 35 days prior to the Annual Town Meeting.
- The Board of Finance recommends to the Annual Town Meeting a budget and rate for taxation.
- The Annual Town Meeting occurs in the first week of May, on a day determined by the Board of Selectmen.

If at least 15% of the eligible electorate votes, and a majority thereof reject the recommended budget, the Board of Finance reconsiders its recommendations in consultation with the Board of Selectmen and the Board of Education, and submits reconsidered recommendations to a reconvened Town Meeting, which must be held within 25 days of the date the original recommended budget was rejected. At the reconvened Town Meeting, the reconsidered recommendation shall either be approved or amended and reduced, provided no appropriation may be reduced below the legal obligation of the Town. The reconsidered recommendation cannot be rejected in its entirety.

Annual Audit

The Town, pursuant to local ordinance and provisions of the Connecticut General Statutes, is required to undergo an annual audit by an independent public accountant. The auditor, appointed by the Board of Finance, is required to conduct the audit under the guidelines outlined by the State of Connecticut Office of Policy and Management, which also receives a copy of the audit report. For the fiscal year ended June 30, 2018 the financial statements of the various funds of the Town are being audited by Blum Shapiro & Company, P.C. of West Hartford, Connecticut.

Insurance

The Town is exposed to various risks of loss related to employee health; torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Town carries commercial insurance. Coverage has not been materially reduced, nor have settled claims exceeded commercial coverage in any of the last three years. For the 2016 Fiscal Year, the Town's major insurance coverage is as follows:

General Liability

Carrier: Argonaut Insurance Co.
Limits: \$1,000,000 each occurrence

Deductible: \$10,000 each wrongful act
\$15,000 each wrongful employment act

Effective July 1, 2011, the Town joined the BOE in self-insuring its employee health insurance costs. The Town and the Board of Education ("BOE") report their self-insured employee health insurance activities in an Internal Service Fund. Claim expense and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. They have also purchased "stop loss" insurance to limit losses to \$225,000 per person per year with a maximum aggregate for all claims of approximately 125% of anticipated claims. A reserve has been increased to cover significant claims for both organizations. The organizations are witnessing a reduction in claims through the introduction of health savings accounts for various employee groups.

CIRMA provides Wilton's workers' compensation coverage through a paid loss program with a \$250,000 per occurrence deductible and \$650,000 annual aggregate. The limits are statutory benefits prescribed by Connecticut General Statutes. CIRMA has a 33-year track record of providing risk financing, claims management and risk management services exclusively to Connecticut municipalities, boards of education and local public agencies.

The Town has established a Heart & Hypertension reserve for the recording of expenditures for Heart & Hypertension claims.

Investment Policy

Available cash is invested by the Treasurer in the following short-term investments: various certificates of deposit and municipal money market accounts with a Connecticut bank which meets the collateral, risk based capital and other requirements of Qualified Public Depositories as defined in section 36a-338 of the Connecticut General Statutes. The proceeds of the Town's tax exempt obligations are invested in money market accounts at US Bank.

Eligible investments for Connecticut municipalities are determined by sections 7-400 and 7-402 of the Connecticut General Statutes. In response to a recommendation by the Town's external auditor, in fiscal year ending 2008, the Board of Finance formally adopted an investment policy which incorporates the statutory provisions. The Town expects to continue to invest in the foregoing investments and those of a similar character as permitted by statutes. In 2011, the Town of Wilton initiated investment of its undesignated fund balance with approximately \$3,050,000 in mortgaged backed securities and agency funds with an average life of approximately four years with principal and interest being returned on a monthly basis. In December 2012 an additional \$3,000,000 was similarly invested. In July 2014, the Board of Finance restricted use of mortgaged backed securities for investment purposes. The WPCA has also invested capital assessment funds of approximately \$3,323,489 in authorized investment vehicles since August of 2011. Those investment vehicles have been used to bring the total of such investments of the Town as of June 30, 2018 to \$5,465,932 and the WPCA to \$1,297,000.

Please refer to Note 3 of the Town's Audited Financial Statements for a description of the Town's cash and cash equivalent investments and investment practices at June 30, 2018.

Other Post-Employment Benefits (GASB 45)

The Town elected to comply early with GASB 45 and created an OPEB Trust, effective July 1, 2007 for post-employment health insurance for employees of the Town and Board of Education. Since that time, the Town has contributed 100% of the Annual Required Contribution ("ARC"), as detailed below. Over several meetings and in consultation with the actuary, the Board adopted a tiered funding policy which is tied to the funded ratio as shown in the following table.

<i>Funded Ratio</i>	<i>Contribution</i>
Less than 85%	120% of actuary's recommendation
85% to 89.9%	115% of actuary's recommendation
90% to 94.9%	110% of actuary's recommendation
95% to 99.9%	105% of actuary's recommendation
> 99.9%	100% of actuary's recommendation

The last full valuation was completed on July 1, 2016, and based on the actuarial report that was adjusted for the increased value of the fund as of July 1, 2017, to provide the fiscal year 2018 ARC of \$326,632; however, based on the Town's funding policy, it contributed \$391,959 for fiscal year 2018. The full amount of the ARCs are deposited into the OPEB Trust.

The primary assumptions are (1) 20 year amortization of the unfunded liability, and (2) a 5.75% rate of return.

In addition to the ARC, the Trust's other sources of revenue are employee contributions, investment income and reimbursements from the State Teachers Retirement Fund ("TRB") for certified retirees of the Board of Education for periods in which they are covered by the Board's health insurance but were eligible for coverage under the TRB program.

Contributions as a percentage of the annual OPEB cost are set forth below:

Fiscal Year Ending	Annual OPEB Cost (AOC)	Actual Contribution	Percentage of AOC Contributed
6/30/2019 ¹	\$ 337,749	\$ 337,749	100.0%

Fiscal year 2018 was the Trust's eleventh year of operation. Summarized, audited financial information is as follows:

Actuarial Valuation Date	Actuarial Value of Assets	Actuarial Accrued Liability (AAL)	Unfunded AAL (UAAL)	Funded Ratio	Covered Payroll	Unfunded Actuarial Accrued Liability as a % of Covered Payroll
7/1/2016	\$ 5,307,422	\$ 6,329,854	\$ (1,022,432)	83.8%	\$ 54,444,575	-1.9%

7/1/2010	1,454,122	7,836,743	(6,382,621)	18.6%	51,760,000	(12.3%)
7/1/2008	389,000	5,435,000	(5,046,000)	7.2%	47,744,000	(10.6%)

Pension Liability

Due to the fact that the July 1, 2006 valuation of the Town's pension plan showed an accrued, unfunded liability of \$9,956,617 vs. \$6,287,875 as of July 1, 2005 the Board of Finance had a series of meetings with the Plan Trustees, the Investment Committee and the Plan actuary to discuss actuarial assumptions, collective bargaining strategies and structural changes to reverse a troublesome trend.

Several changes resulted from those discussions. First, the Trustees immediately reduced the assumed rate of return from 8.1% to 7.8%, which was then further reduced to 7.6% with the July 1, 2011 Valuation and again to 7.25% with the July 1, 2012 Valuation. The July 1, 2017 valuation included a 6.875% assumed rate of return. Second, the Board of Trustees was expanded to include one representative each from the Board of Education and the Board of Finance. Third, the Board of Selectmen formally designated an Investment Committee comprised of citizens with professional investment expertise, and gave the Committee a formal written charge. Fourth, the Trustees engaged Mercer Investment Consulting to perform an asset/liability analysis. An additional and very significant change occurred through collective bargaining between the Town and one of its unions, AFSCME Local 1303-160. Effective July 1, 2007 newly hired employees covered by that contract will not be eligible for participation in the defined benefit plan but instead will participate in a defined contribution plan. The employer's original contribution to that plan was 9.00% of current salary, which was considerably less than the 17.56% contribution to the defined benefit plan for those employees at that time. As of October 2016, the employer contribution was lowered to 5.00%. The change also applies to newly hired non-union employees, other than sworn police and fire. Town Teamster Union employees became part of the Town's defined contribution plan in fiscal year 2013. Board of Education Custodians new to the schools as of July 1, 2010 and BOE Discretionary and WAESCA employees as of July 1, 2011 have also initiated participation in a defined contribution plan.

Of particular importance is a funding policy change formally adopted by the Board of Finance in April 2007 in conjunction with its development of the fiscal year ending 2008 budget. Historically and through fiscal year ending 2007 the Board's policy and practice had been to make the actuarially recommended employer's contribution. Over several meetings and in consultation with the actuary, the Board adopted a tiered funding policy which is tied to the funded ratio as shown on the following page.

Funded Ratio	Contribution
Less than 85%	120% of actuary's recommendation
85% to 89.9%	115% of actuary's recommendation
90% to 94.9%	110% of actuary's recommendation
95% to 99.9%	105% of actuary's recommendation
> 99.9%	100% of actuary's recommendation

More recently the Retirement Trust implemented several additional changes to the July 1, 2012 actuarial calculation of the Town's pension contribution including the retirement age, turnover, increase in compensation, mortality, amortization period for the unfunded liability and the investment return so that the actuarial valuation more closely adhered to the actual experience in Wilton. The July 1, 2012 Valuation was conducted using these changes in the formula and used to budget for contributions from fiscal year 2014 forward.

The latest revised policy was first effective with the contribution for fiscal year ending 2017. Historical ARC funding ratios are listed below:

Fiscal Year Ending	Actuarily Determined Contribution	Actual Contribution	Percentage Contributed
6/30/2018	\$ 2,321,719	\$ 2,437,805	105.0%
6/30/2017	2,278,522	2,392,448	105.0%
6/30/2016	2,851,154	3,136,270	110.0%
6/30/2015	3,005,290	3,456,084	115.0%
6/30/2014	3,056,746	3,515,258	115.0%

Note: Based on an estimate of the ADC, the Town has budgeted to pay 105% of that amount for Fiscal Year 2019.

Net Pension Liability

The Town's net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The components of the net pension liability of the Town at June 30, 2018 were as follows:

Total Pension Liability	\$ 118,911,726
Plan Fiduciary Net Position	<u>117,356,131</u>
Total Net Pension Liability	<u>\$ 1,555,595</u>
Plan Fiduciary Net Position as a	
Percentage of the Total Pension Liability	98.69%

VII. Legal and Other Information

Litigation

As of this date there are several actions pending against the Town, the Wilton Planning and Zoning Commission, the Wilton Board of Assessment Appeals, Wilton Inland Wetlands Commission and the Wilton Zoning Board of Appeals. Although some of the actions claim monetary damages, in the opinion of Town Attorney, the monetary exposure to the Town, if any, will have no material adverse effect upon the Town's financial position.

There are other monetary claims against the Town which are being handled by the Town's insurance company and therefore will not have a materially adverse financial impact on the Town.

Transcript and Documents Furnished at Delivery

The original purchaser will be furnished the following documents when the Bonds are delivered:

1. A Signature and No Litigation Certificate stating that at the time of delivery no litigation is pending or threatened affecting the validity of the Bonds or the levy or collection of taxes to pay them.
2. A certificate on behalf of the Town, signed by the First Selectman and the Town Treasurer, which will be dated the date of delivery and attached to a signed copy of the Official Statement, and which will certify, to the best of said officials' knowledge and belief, that at the time bids on the Bonds were accepted the description and statements in the Official Statement relating to the Town and its finances were true and correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition of the Town from that set forth in or contemplated by the Official Statement.
3. A receipt for the purchase price of the Bonds.
4. The approving opinion of Robinson & Cole LLP, Bond Counsel in substantially the form attached hereto as Appendix B.
5. An executed continuing disclosure agreement for the Bonds in substantially the form attached hereto as Appendix C.

The Town of Wilton has prepared this Official Statement for the Bonds which is dated April 25, 2019. The Town deems such Official Statement final as of its date for purposes of SEC Rule 15c2-12 (b)(1), but it is subject to revision or amendment. The Town will make available to the winning purchaser of the Bonds twenty-five (25) copies of the Official Statement at the Town's expense. The copies of the Official Statement will be made available to the winning purchasers within seven business days of the bid opening at the office of the Town's Municipal Advisor. If the Town's Municipal Advisor is provided with the necessary information from the winning purchasers by noon of the day following the day bids on the Bonds are received, the copies of the Official Statement will include an additional cover page and other pages indicating the interest rates, ratings, yields or reoffering prices, the name of the managing underwriters, the name of the insurer, if any, and any changes on the Bonds. The purchasers shall arrange with the Municipal Advisor the method of delivery of the copies of the Official Statement to the purchasers. Additional copies of the Official Statement may be obtained by the purchasers at its own expense by arrangement with the printer.

A record of the proceedings taken by the Town in authorizing the Bonds will be kept on file at the principal office of the Certifying Agent, U.S. Bank National Association of Hartford, Connecticut and may be examined upon reasonable request.

Concluding Statement

This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of the Bonds. Any statements made in this Official Statement involving matters of opinion or estimates are not intended to be representations of fact, and no representation is made that any of such opinion or estimate will be realized. No representation is made that past experience, as might be shown by financial or other information herein, will necessarily continue or be repeated in the future. Neither the delivery of this Official Statement nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the Town since the date hereof. References to statutes, charters, or other laws herein may not be complete and such provision of law is subject to repeal or amendment.

Information herein has been derived by the Town from official and other sources and is believed by the Town to be reliable, but such information other than that obtained from official records of the Town has not been independently confirmed or verified by the Town and its accuracy is not guaranteed.

Independent Auditors' Report

To the Board of Finance
Town of Wilton, Connecticut

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Wilton, Connecticut, as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Town of Wilton, Connecticut's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Wilton, Connecticut, as of June 30, 2018 and the respective changes in financial position and, where applicable, cash flows thereof, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As discussed in Note 7 to the financial statements, during the fiscal year ended June 30, 2018, the Town of Wilton, Connecticut, adopted new accounting guidance, GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*. The net position of the Town of Wilton, Connecticut, has been restated to recognize the net other postemployment benefit liability in accordance with GASB No. 75. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the budgetary comparison information and the pension and OPEB schedules, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

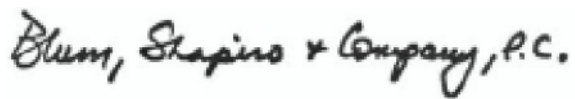

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Wilton, Connecticut's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements and schedules, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2019 on our consideration of the Town of Wilton, Connecticut's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Wilton, Connecticut's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town of Wilton, Connecticut's internal control over financial reporting and compliance.

**Town of Wilton, Connecticut
Management's Discussion and Analysis
June 30, 2018**

As management of the Town of Wilton, Connecticut (the Town), we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2018. We encourage readers to consider the information presented here in conjunction with the letter of transmittal and the Town's financial statements that follow this section.

Financial Highlights

In fiscal 2018, the Town's net position increased by \$11,614,749 or 8.8% to \$143,249,983. Of this amount, \$32,889,577 (unrestricted net assets) may be used to meet the Town's ongoing obligations. Overall, the continuing high level of net assets contributes to the Town's financial strength.

The Town's governmental funds, which are reported on a current financial resource basis, had a combined ending fund balance of \$30,076,687 an increase of \$3,132,059 from the prior fiscal year-end period due to an increase in the General Fund of \$871,307, an increase in the Capital Projects Fund of \$2,475,135 offset by a decrease in the Non Major Governmental Funds of \$214,383.

Overview of the Financial Statements

This discussion and analysis is intended to provide an introduction to the Town's basic financial statements. The basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains supplementary information and a statistical section. The statistical section provides comparisons of selected information for the past several years.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a general understanding of the Town's finances. All of the resources the Town has at its disposal are reported, including major capital assets such as buildings and infrastructure. In addition, a thorough accounting of the costs of government operations as well as its revenue sources is provided.

The statement of net position presents information on all of the Town's assets and liabilities, with the difference between the two reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating. However, other non-financial factors need to be considered as well, including changes in the Town's property tax base and the condition of the Town's capital assets, to assess the overall health of the Town.

The statement of activities presents information showing how the Town's net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods. Uncollected taxes and earned but unused vacation leave are examples of these types of items.

The government-wide financial statements distinguish functions of the Town that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities).

Governmental activities of the Town encompass most of the Town's basic services, including education, public safety, general government, public works, public health and welfare and recreation and parks. Property taxes, intergovernmental grants and charges for services finance the majority of the activities.

Business-type activities of the Town include the Water Pollution Control Authority and the Transfer Station. They are reported as business-type activities because the Town charges fees to service users to cover all or most of the costs of operations.

The government-wide financial statements (Statement of Net Position and Statement of Activities) can be found on pages 15 and 16 of this report.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control and accountability over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Town has three kinds of funds, as follows:

Governmental Funds Governmental fund financial statements consist of a balance sheet and statement of revenues, expenditures, and changes in fund balances. They are prepared on an accounting basis that is significantly different from that used to prepare the government-wide financial statements.

In general, these financial statements have a short-term emphasis and, for the most part, measure and account for cash and other assets that can easily be converted to cash. For example, amounts reported on the balance sheet include items such as cash and receivables collectible within a year, but do not include capital assets such as land and buildings and improvements. The difference between a fund's total assets and total liabilities is labeled as the fund balance, and generally indicates the amount that can be used to finance the next fiscal year's activities. Likewise, the operating statement for governmental funds reports only those revenues and expenditures that were collected in cash or paid with cash, respectively, during the current period or very shortly after the end of the year.

For the most part, the balances and activities accounted for in governmental funds are also reported in the governmental activities columns of the government-wide financial statements. However, because different accounting bases are used to prepare fund financial statements and government-wide financial statements, there are often significant differences between the totals presented in these financial statements. For this reason, there is an analysis on page 18 that reconciles the total fund balance to the amount of net assets presented in the governmental activities column on the statement of net position. In addition, there is an analysis on page 20 that reconciles the total change in fund balances for all governmental funds to the change in net assets as reported in the governmental activities column in the statement of activities.

The Town adopts an annual budget for its General Fund. A budgetary comparison statement is provided for the General Fund to demonstrate compliance with the authorized budget. The Statement of Revenues, Expenditures and Changes in Fund Balance on a Budgetary Basis is presented on pages 19 and 20.

The basic governmental fund financial statements (Balance Sheet and Statement of Revenues, Expenditures and Changes in Fund Balances) can be found on pages 17 through 20 of this report.

Proprietary Funds Proprietary Fund financial statements consist of a statement of net position, statement of revenues, expenses, and changes in net position and statement of cash flows. These are prepared on an accounting basis that is similar to the basis used to prepare the government wide financial statements. For financial reporting purposes, proprietary funds are grouped into Enterprise Funds and Internal Service Funds.

The Town maintains two different types of proprietary funds. Enterprise Funds are used to report the same functions presented as business-type activities in the government-wide financial statement. The Town uses Enterprise Funds to account for its Water Pollution Control Authority and the Transfer Station. The Town uses its Internal Service Funds to account for employee health benefits costs and workers' compensation costs for both the Town and Board of Education ("BOE") employees. Because the Internal Service Funds predominantly benefit governmental rather than business-type functions, they are included within governmental activities in the government-wide financial statements.

Proprietary Funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water Pollution Control Authority which is considered to be a major proprietary fund and the Transfer Station which is considered to be a non-major proprietary fund. In addition, individual fund data for the Internal Service Funds are provided in separate columns in the Proprietary Fund financial statements.

The propriety fund financial statements can be found on pages 21 through 23 of this report.

Fiduciary Funds Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to provide services to the Town's constituency. The Town's fiduciary funds include the Pension Trust Fund, Other Post-Employment Benefits Trust Fund and the Student Activity Funds. The basic fiduciary fund financial statements can be found on pages 24 and 25 of this report.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 26 through 70 of this report.

Town of Wilton, Connecticut
Net Positions (\$000's Omitted)

By far the largest portion of the Town's net assets (78%) is its investment in capital assets (e.g., land, buildings and improvements, machinery and equipment and infrastructure); net of accumulated depreciation and any related debt used to acquire those assets that is still outstanding. The Town uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities.

Government-Wide Financial Analysis

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position and an important determinant of its ability to finance services in the future. As shown in the Statement of Changes in Net Assets above, the revenues of governmental activities were greater than expenses by \$11.6 million. There are two classes of governmental activities revenue: program revenue and general revenue. As the classifications imply, program specific revenue is directly associated with and/or generated by specific programs. General revenue, such as property taxes and interest on investments, is not. Key elements of this increase are as follows:

81.4% of the governmental activities revenue was derived from property taxes, followed by 13.9% from grants and contributions. Fees accounted for 4.3% and interest and other miscellaneous revenues accounted for 0.4%.

Major revenue factors included:

- ◆ Property tax revenue exceeded budget 3.7%. The combined current levy collection rate was 99.4%. The current year mill rate was 28.1875 compared to 27.7685 for the prior fiscal year. The Grand List increased 0.27%.
- ◆ Property Tax exceeded budget by approximately \$420,859 due to receipt of a large delinquent account that was in collections.
- ◆ Charges for Services were greater than budgeted by \$321,187. Major drivers were primarily due to 2 large Building Department Permits \$262,531 received at the end of fiscal year, Planning and Zoning \$19,736, Environmental Affairs Permits \$57,041, Investment income \$293,121, State Grants \$269,890 offset by lower Environmental Health permits of \$31,819. Other Revenue was over budget by \$138,930, the major revenues were a sign on bonus for a new cell tower contract \$125,000 and misc. revenues of \$56,429.

Major expense factors included:

- ◆ Total operating budget was under-expended by \$4,042,522. General Government savings amounted to \$374,307, Public Works \$253,065, Parks and Recreation \$203,768, and Health and Welfare \$66,152. Public Safety costs were favorable to budget due to Police Department \$279,282, Central Dispatch \$33,077, Paramedic 43,896, Fire Department 90,362 and Georgetown Fire District \$12,852. Total other savings amounted to \$210,860. The savings were related to a reduction in headcount due to operating efficiencies and vacancies. The Town did not use any of the Additional Appropriation funds budgeted resulting in savings of \$1,255,490.

Business-Type Activities

Business-type activities consist of the Water Pollution Control Authority (WPCA) and the Transfer Station. These activities increased the Town's net assets by \$201,159.

The WPCA operates the Town's liquid waste system, which consists of collection infrastructure but no treatment facilities. Sewage treatment is provided by the City of Norwalk, Connecticut ("City") under a contract with the Town's WPCA. Capital assessments, user charges and interest comprise the WPCA's revenues. Capital assessments are levied by the WPCA on properties that benefit from sewer construction. The assessments may be paid over twenty years with interest. By general statute, income from assessment payments may be used only for debt service on sewer-related bonds and for capital improvements to the system. The Town has no sewer debt outstanding as of June 30, 2018. User charges are established annually to pay for operating expenses, including the non-debt service component of the City fee. For fiscal 2018, the WPCA's operations resulted in an increase of \$33,017 in net assets of business-type activities due to new assessments.

The Town's Transfer Station accepts and then transfers solid waste of the Town from both commercial haulers and citizens. This includes trash and recyclables. As of January 1, 2014 the Town entered into an agreement with City Carting and Recycling, Inc. for the disposing of municipal solid waste. The agreement runs through June 30, 2019. There is no minimum or maximum tonnage that the Town is required to deliver to City Carting and Recycling. As of January 1, 2014 the Town entered into agreement with City Carting and Recycling for recyclables. The agreement runs through June 30, 2019. The Town receives \$20 for each ton of recyclables delivered to City Carting. Transfer Station operations resulted in an increase in net assets of \$168,142.

Financial Analysis of the Government's Funds

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with generally accepted accounting principles and emphasize accountability, segregating specific activities in accordance with laws, regulations or special restrictions.

Governmental Funds The focus of the Town's governmental funds accounting and disclosures is to provide information on near-term inflows, outflows, and types and amounts of available resources. Such information is useful in assessing the Town's cash needs, financing requirements and available resources. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The Town's governmental funds reported combined ending fund balances of \$30,076,687. The unassigned balance was \$14,532,835 or 10.23% of revenues and other financing sources. This is an increase of \$1,222,560 from June 30, 2017. All other governmental funds reported ending fund balances of \$8,934,807, an increase of \$2,260,752 primarily due to new bonding revenue for capital projects.

General Fund At June 30, 2018 the total General Fund balance was \$21,141,880 of which \$14,542,508 was unassigned. This is 10.29% of expenditures and other financing uses and 10.23% of revenues and other financing sources. The total fund balance increased by \$871,307.

Actual revenues reflected a positive variance aggregating \$1,443,987 as compared to the final budget. Collections on property taxes and interest and lien fees resulted in \$420,859 of revenue more than budgeted. Intergovernmental Revenue was \$537,252 over budget for BOE and \$267,362 less than budget for The Town. Miscellaneous Revenues exceeded budget by \$138,930. Expenditures posted a favorable variance compared to the final budget of \$4,042,522.

General Fund Budgetary Highlights (000's Omitted)

The difference between the original and final budget was \$817,105 consisted of unobligated capital appropriations and encumbrances continued from fiscal 2017.

- ◆ Property tax revenue exceeded budget by 3.7%. The combined current levy collection rate was 99.4%. The current year mill rate was 28.1875 compared to 27.7685 for the prior fiscal year. The Grand List increased 0.27%.
- ◆ Property Tax exceeded budget by approximately \$420,859 due to receipt of a large delinquent account that was in collections.

- ◆ The Town did not use any of the Additional Appropriation funds budgeted resulting in savings of \$1,255,490.
- ◆ The BOE ended fiscal 2018 with a final positive variance to budget of \$2,941.

The Medical Health Insurance Internal Service Fund ended the year with an increase in net assets of \$1,080,286 and a resulting fund balance of \$4,169,128.

Capital Assets The Town's investment in capital assets as of June 30, 2018, is \$197,274,399 (net of accumulated depreciation). This investment includes land, buildings and improvements, machinery and equipment and infrastructure.

Major capital asset events during the current fiscal year included sewer mains, athletic fields, vehicles, rolling stock, fire apparatus and school improvements.

Additional information on the Town's capital assets can be found on pages 38 and 39 (Note 3 Section C) of this report.

Long-term Debt At the end of the fiscal year, the Town had total bonded debt outstanding of \$84,295,000 all of which is backed by the full faith and credit of the government. Although all of the Town's bonded debt is secured by the Town's full taxing power, \$49,870 will be paid from water capital assessments.

General Obligation Bonds Outstanding at June 30 (\$000's Omitted)

	Governmental Activities		Business-Type Activities		Total	
	2018	2017	2018	2017	2018	2017
General Obligation Bonds	\$ 84,295	\$ 81,880	\$ -	\$ -	\$ 84,295	\$ 81,880

The Town maintains an "Aaa" rating from Moody's Investors Service.

State statutes limit the amount of general obligation debt a governmental entity may issue to seven times its annual tax collections. At June 30, 2018, the Town's statutory debt limitation was \$824,146,799.

On March 8, 2018, the Town issued \$11,715,000 of general obligation bonds with interest rates ranging from 3.0% to 5.0% with a premium of \$349,792. For FY 2018, \$11,823,602 of debt was retired with the breakdown of Principal \$9,420,333 and Interest \$2,403,268.

Additional information on the Town's long-term debt can be found on pages 42 through 44 of this report.

Pension and Other Post-Employment Benefits

The Town maintains a defined benefit, contributory pension plan for eligible employees of the Town, the Board of Education and the Wilton Library Association. According to the 2018 GASB Pension Disclosure report dated June 30th, 2018 the plan's funded ratio is 98.69%. The Board of Finance adopted the following policy of making additional contributions to the Pension and OPEB plans, depending upon the individual Plans' funded ratio.

Funded Ratio	Employer's Contribution
Less than 85%	120% of actuary's recommendation
85% to 89.9%	115% of actuary's recommendation
90% to 94.9%	110% of actuary's recommendation
95% to 99.9%	105% of actuary's recommendation
>99.9%	100% of actuary's recommendation

In accordance with the policy above, the actual contribution was \$2,437,805.

The summarized operating results of The Retirement Trust are (000's omitted):

Revenues:	
Employer's Contribution	\$ 2,438
Employee Contribution	1,216

Balance End of Year	<u><u>\$ 117,356</u></u>

In order to comply with GASB Statement No. 45, the Town created an Other Post-Employment Benefits Trust on July 1, 2007. The purpose of the trust is to account for the financing of post-employment health insurance for eligible employees of the Town and the BOE. Based on the 2018 GASB OPEB Disclosure report dated June 30, 2018 the plan's funded ratio is 107.99%, (using a 5.75% discount rate) the Actuarial Accrued Liability (AAL) was \$6,922,254 and the Unfunded Actuarial Accrued Liability (UAAL) was \$(553,453). The Annual Required Contribution (ARC) for fiscal 2018 was \$326,632 which the Town based on the above funding policy contributed \$391,959.

The summarized operating results of the OPEB Trust's Plan are (000's omitted):

STATEMENT OF REVENUES, EXPENDITURES AND CHANGES
IN FUND BALANCES - GOVERNMENTAL FUNDS (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2018**

Reconciliation of the Statement of Revenues, Expenditures and Changes in Fund Balances of Governmental Funds to the Statement of Activities:

Amounts reported for governmental activities in the statement of activities (Exhibit II) are different because of the following:

Net change in fund balances - total governmental funds (Exhibit IV)	\$ 3,132,059
---	--------------

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital outlay	9,897,310
Depreciation expense	(4,922,632)
Loss on disposition of capital assets	(323,264)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.

Property taxes collected after 60 days	80,836
Interest income on property taxes	658,139
Intergovernmental revenue on school bonds	(6,482)
Change in deferred outflows related to actuarial assumptions - pension	(536,513)
Change in deferred outflows related to projected investment earnings - pension	(1,664,885)
Change in net OPEB assets	553,423

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of issuance costs, premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

General obligation bond proceeds	(11,715,000)
Principal payments on bonds	9,300,000
Principal payments on leases	935,589
Premiums on bonds	(349,792)
Capital lease proceeds	(1,025,000)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.

Amortization of deferred charge on refunding	(188,167)
Amortization of premiums	423,671
Accrued interest	(173,230)
Teamsters pension plan withdrawal liability	149,746
Change in heart and hypertension claims	37,202
Change in long-term compensated absences	4,000,067
Change in net pension liability	3,301,232
Change in net OPEB liability	25,903

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The Town of Wilton, Connecticut (the Town) was incorporated as a Town in 1802. The Town operates under a Board of Selectmen, Board of Finance and Town Meeting form of government and provides a full range of services including public safety, roads, sanitation, health, social services, culture and recreation, education, planning, zoning and general administrative services to its residents.

Accounting principles generally accepted in the United States of America (GAAP) require that the reporting entity include 1) the primary government, 2) organizations for which the primary government is financially accountable, and 3) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. These criteria have been considered, and there are no agencies or entities that should be presented with the Town.

B. Basis of Presentation

The accompanying financial statements conform to GAAP as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Town's accounting policies are described below.

Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Town as a whole. For the most part, the effect of interfund activity has been removed from these statements, except for interfund services provided and used. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned, and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. Agency funds use the accrual basis of accounting but have no measurement focus since they report only assets and liabilities.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Town considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Property taxes and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. In determining when to recognize intergovernmental revenues (grants and entitlements), the legal and contractual requirements of the individual programs are used as guidance. Revenues are recognized when the eligibility requirements have been met. All other revenue items are considered to be measurable and available only when cash is received by the Town.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenue includes all taxes.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the proprietary funds are charges to customers for services. The enterprise fund also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The Town reports the following major governmental funds:

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Capital Projects Fund* accounts for and reports financial resources that are restricted or committed to expenditure for capital outlays including the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds.

The Town reports the following major proprietary funds:

The *Water Pollution Control Authority Fund* accounts for activities of the government's water operations.

Additionally, the Town reports the following fund types:

The *Internal Service Funds* account for risk management services including claims for medical and workers' compensation provided to other departments of the government on a cost-reimbursement basis.

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

The *Pension and Other Employee Benefit Trust Funds* are used to account for the activities the Town's defined benefit pension plan for qualified employees and for the activities for both Town and Board of Education for other postemployment benefits (e.g. health insurance) that accumulate resources for other postemployment benefit payments to qualified employees.

The *Agency Funds* account for monies held on behalf of students.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the proprietary funds and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed. Unrestricted resources are used in the following order: committed, assigned then unassigned.

C. Cash and Cash Equivalents

The Town's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

D. Investments

Investments are recorded at fair value based on quoted market prices.

E. Inventories and Prepaid Items

All inventories are valued at cost using the first-in/first-out (FIFO) method. Inventories of donated commodities are stated at fair market value. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

F. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the noncurrent portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds."

G. Net Other Post Employment Benefit (OPEB) Asset

The Net OPEB Asset is measured as the portion of the present value of projected benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service (total OPEB liability), less the amount of the OPEB plan's fiduciary net position. The OPEB plan's fiduciary net position is determined using the same valuation methods that are used by the OPEB plan for purposes of preparing its statement of fiduciary net position. The net OPEB asset is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

H. Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks and similar items), are reported in the applicable governmental or business-type activity column in the government-wide financial statements and enterprise fund financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of five years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of an asset are not capitalized.

In the case of the initial capitalization of general infrastructure assets (i.e., those reported by governmental activities), the Town chose to include all such items regardless of their acquisition date or amount. The Town was able to estimate the historical cost for the initial reporting of these assets through back trending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and then using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year).

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred, net of interest earned on specific project related debt, during the construction phase of capital assets of enterprise funds is included as part of the capitalized value of the assets constructed.

Land and construction-in-progress are not depreciated. Property, plant and equipment and infrastructure of the Town are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	40-50
Infrastructure	20-75
Machinery and equipment	50-100

The costs associated with the acquisition or construction of capital assets are shown as capital outlay expenditures on the governmental fund financial statements. Capital assets are not shown on the governmental fund balance sheet.

H. Deferred Outflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position or fund balance that applies to a future period or periods and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Town reports a deferred charge on refunding and deferred outflows related to pension in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. A deferred outflow of resources related to pension results from differences between expected and actual experience and investment gains or

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

losses. These amounts are deferred and included in pension expense in a systematic and rational manner over a period equal to the average of the expected remaining service lives of all employees that are provided with benefits through the pension plan (active employees and inactive employees). No deferred outflows of resources affect the governmental fund financial statements in the current year.

I. Deferred Inflows of Resources

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position or fund balance that applies to a future period or periods and so will not be recognized as an inflow of resources (revenue) until that time. The Town reports advance property tax collections and deferred inflows of resources related to pensions and OPEB in the government-wide statement of net position. A deferred inflow of resources related to pension and OPEB results from differences between expected and actual experience, changes in assumptions or other inputs. These amounts are deferred and included in pension and OPEB expense in a systematic and rational manner over a period equal to the average of the expected remaining service lives of all employees that are provided with benefits through the pension and OPEB plan (active employees and inactive employees). Advance property tax collections represent taxes inherently associated with a future period. This amount is recognized during the period in which the revenue is associated. For governmental funds, the Town reports unavailable revenue, which arises only under the modified accrual basis of accounting. The governmental funds report unavailable revenues from the following sources: property taxes. These amounts are deferred and recognized as an inflow of resources (revenue) in the period in which the amounts become available.

J. Compensated Absences

Town employees accumulate vacation and sick leave hours for subsequent use or payment upon termination or retirement. In accordance with GASB Statement No. 16, Accounting for Compensated Absences, the Town accrues compensated absences as they are earned by employees if the leave is attributable to past service and it is probable that the employer will compensate the employee by cash payments at termination or retirement. The amount of this estimated obligation at June 30, 2018 is recorded in the government-wide financial statements since the benefits are to be funded from future financial resources and will be paid from the General Fund, Debt Service Fund, Water Pollution Control Authority Fund or Transfer Station Fund, as may be appropriate. A liability for these amounts is reported in the governmental funds only if the liability has matured through employee resignation or retirement.

K. Net Pension Liability

The net pension liability is measured as the portion of the present value of projected benefit payments to be provided to current active and inactive employees that is attributed to those employees' past periods of service (total pension liability), less the amount of the pension plan's fiduciary net position. The pension plan's fiduciary net position is determined using the same valuation methods that are used by the pension plan for purposes of preparing its statement of fiduciary net position. The net pension liability is measured as of a date (measurement date) no earlier than the end of the employer's prior fiscal year, consistently applied from period to period.

L. Long-Term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

M. Encumbrances

Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of resources are recorded to reserve that portion of the applicable appropriation, is utilized in the governmental funds. Encumbrances outstanding at year-end are reported as committed or assigned fund balance, depending on the nature of the restriction, for GAAP purposes, as they do not constitute expenditures or liabilities, and reported as expenditures for budgetary purposes as they do not constitute expenditures or liabilities.

The Town charter stipulates that every appropriation shall lapse at the end of the fiscal year if such appropriation is not expended or encumbered, except for continuing appropriations for capital and nonrecurring expenditures. Continuing appropriations are reflected in the accompanying financial statements as assigned fund balance.

N. Fund Equity and Net Position

In the government-wide financial statements and proprietary fund financial statements, net position is classified in the following categories:

Net Investment in Capital Assets

This category includes all capital assets, including infrastructure, less accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets.

Restricted Net Position

This category includes net position with restrictions externally imposed by creditors (such as through debt covenants), grantors, contributors or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Unrestricted Net Position

This category represents the net position of the Town that is not restricted for any project or other purpose by third parties.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

In the fund financial statements, fund balances of governmental funds are classified in the following categories:

Nonspendable Fund Balance

This balance represents amounts that cannot be spent due to form (e.g., inventories, prepaid amounts and amounts required to be retained in perpetuity).

Restricted Fund Balance

This balance represents amounts constrained for a specific purpose by external parties, such as grantors, creditors, contributors or laws and regulations of their governments.

Committed Fund Balance

This balance represents amounts constrained for a specific purpose by a government using its highest level of decision-making authority. The Board of Selectmen and the Board of Finance are the highest level of decision making authority for the Town that can, by adoption of a resolution prior to the end of the fiscal year, commit fund balance. Once adopted, these funds may only be used for the purpose specified unless the Board of Selectmen and the Board of Finance removes or changes the purpose by taking the same action that was used to establish the commitment.

Assigned Fund Balance

This balance represents amounts constrained for the intent to be used for a specific purpose by the Chief Financial Officer who has been delegated authority to assign amounts by the Town Charter.

Unassigned Fund Balance

This balance represents fund balance in the General Fund in excess of nonspendable, restricted, committed and assigned fund balance. If another governmental fund has a fund balance deficit, it is reported as a negative amount in unassigned fund balance.

When both restricted and unrestricted amounts of fund balance are available for use for expenditures incurred, it is the Town's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

O. Property Taxes

Property taxes are assessed as of October 1, levied on the following July 1, and billed and due in two installments, July 1 and January 1. Motor vehicle taxes are due in one installment on July 1, and supplemental motor vehicles taxes are due in full January 1. Taxes become delinquent thirty days after the installment is due. Liens are filed by June 1 following the due date.

P. Accounting Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and expenditures during the reporting period. Actual results could differ from those estimates.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgetary Information

The Town uses the following procedures in establishing the budgetary data included in the financial statements. The Town adopts a formal budget for the General Fund only.

The Board of Selectmen and the Board of Finance have established legal control of the budget at the Selectman's Operating and Capital budget bottom line. The Selectmen have the responsibility to present a budget request with supporting documentation depicting the department's proposed expenditures, and the Board of Finance has the authority to reduce a recommendation made by the Board of Selectmen. The Board of Selectmen can override the Board of Finance by redirecting the reduction to other areas of the budget but they cannot exceed the maximum budget provided by the Board of Finance. The Board of Selectman and Board of Finance have no charter provision provided to it to authorize a budget transfer between departments. The Board of Selectmen have the authority to pass an appropriation of up to $\frac{1}{4}$ of 1% of the total annual budget of the Town as provided for in the contingency known as the Charter Authority with provision of notice to the Board of Finance within two weeks. The Board of Finance has the authority to approve a supplemental appropriation up to 1% of the total annual budget for the Town for the then-current fiscal year, and the total amount of any and all Supplemental Appropriations authorized by the Board of Finance cannot exceed 2% of the annual Town budget. For the year ended June 30, 2018, the Town had \$817,105 of supplemental appropriations.

Any portion of an annual capital and nonrecurring appropriation, for any uncompleted projects remaining unexpended and unencumbered at the close of the fiscal year is continued in force for five succeeding fiscal years. There were no such appropriations continued in force as of June 30, 2018.

The Town's budgeting system requires accounting for certain transactions to be on a basis other than GAAP. The major differences between the budget and GAAP bases are as follows:

- Encumbrances are recognized as a valid and proper charge against a budget appropriation in the year in which the purchase order is issued, and, accordingly, encumbrances outstanding at year-end are reflected in budgetary reports as expenditures in the current year, whereas they are shown as a reservation of fund balance under the GAAP basis of accounting.
- State of Connecticut payments on behalf of the Town teachers for the State teacher retirement system are reported for GAAP purposes only.
- The State of Connecticut Excess Cost Grant is netted with expenditures in accordance with the Connecticut General Statutes 10-76g.

C. Deficit Fund Balances

The Summer School Fund had a deficit of \$9,673 at June 30, 2018 which will be funded by the Continuing Education Fund.

3. DETAILED NOTES ON ALL FUNDS

A. Cash, Cash Equivalents and Investments

The deposit of public funds is controlled by the Connecticut General Statutes (Section 7-402). Deposits may be made in a "qualified public depository" as defined by Statute, or, in amounts not exceeding the Federal Deposit Insurance Corporation insurance limit, in an "out of state bank" as defined by the Statutes, which is not a "qualified public depository."

The Connecticut General Statutes (Section 7-400) permit municipalities to invest in: 1) obligations of the United States and its agencies, 2) highly rated obligations of any state of the United States or of any political subdivision, authority or agency thereof, and 3) shares or other interests in custodial arrangements or pools maintaining constant net asset values and in highly rated no-load open end money market and mutual funds (with constant or fluctuating net asset values) whose portfolios are limited to obligations of the United States and its agencies, and repurchase agreements fully collateralized by such obligations. Other provisions of the Statutes cover specific municipal funds with particular investment authority. The provisions of the Statutes regarding the investment of municipal pension funds do not specify permitted investments. Therefore, investment of such funds is generally controlled by the laws applicable to fiduciaries and the provisions of the applicable plan.

Deposit Custodial Credit Risk

Custodial credit risk is the risk that, in the event of a bank failure, the Town's deposits will not be returned. The Town does not have a deposit policy for custodial credit risk; however, the deposit of public funds is controlled by the Connecticut General Statutes. Connecticut General Statutes require that each depository maintain segregated collateral (not required to be based on a security agreement between the depository and the municipality and, therefore, not perfected in accordance with federal law) in an amount equal to a defined percentage of its public deposits based upon the depository's risk based capital ratio.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

Based on the criteria described in GASB Statement No. 40, *Deposits and Investment Risk Disclosures*, \$42,600,049 of the Town's bank balance of \$44,682,216 was exposed to custodial credit risk as follows:

Uninsured and uncollateralized	\$ 38,131,833
Uninsured and collateral held by the pledging bank's trust department, not in the Town's name	<u>4,468,216</u>
Total Amount Subject to Custodial Credit Risk	<u>\$ 42,600,049</u>

Cash Equivalents

Cash equivalents are short-term, highly liquid investments that are both readily convertible to known amounts of cash and purchased within 90 days of maturity. At June 30, 2018, the Town had no cash equivalents.

Investments

As of June 30, 2018, the Town had the following investments:

Investment Custodial Credit Risk

Custodial credit risk for an investment is the risk that, in the event of the failure of the counterparty, the Town will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The Town does not have a policy for custodial credit risk. At June 30, 2018, the Town did not have any uninsured and unregistered securities held by counterparts, or by their trust department or agents that were not in the Town's name.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

Credit Risk - Investments

The Town has no investment policy that would limit its investment choices due to credit risk other than State Statutes governing investments in obligations of any State or political subdivision or in obligations of the State of Connecticut or political subdivision.

Concentration of Credit Risk

The Town has no policy limiting an investment in any one issuer that is in excess of 5% of the Town's total investments.

Interest Rate Risk

The Town does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Deposits and investments for retirement and other postemployment benefit funds are also disclosed in Notes 4 and 5.

The Town categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements); followed by quoted prices in inactive markets or for similar assets or with observable inputs (Level 2 measurements); and the lowest priority to unobservable inputs (Level 3 measurements). The Town has the following recurring fair value measurements as of June 30, 2018:

<u>Investments by Fair Value Level</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Funds	\$ 118,037,012	\$ 118,037,012	\$	
Mortgage/Asset Backed Securities	4,418,576		4,418,576	
Alternative Investments	7,006,142			7,006,142
	129,461,730	\$ 118,037,012	\$ 4,418,576	\$ 7,006,142
Investments not included above:				
Certificates of deposit	2,344,356			
Total Investments	\$ 131,806,086			

Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices. Commercial and residential mortgage-backed securities classified in Level 3 are valued using discounted cash flow techniques. Collateralized debt obligations classified in Level 3 are valued using consensus pricing.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

The Town's indebtedness does not exceed the legal debt limitations as required by the Connecticut General Statutes, as reflected in the following schedule:

<u>Category</u>	<u>Debt Limit</u>	<u>Indebtedness</u>	<u>Balance</u>
Public improvement	\$ 264,904,328	\$ 42,541,563	\$ 222,362,765
Schools	529,808,657	56,134,165	473,674,492
Sewers	441,507,214		441,507,214
Urban renewal	382,639,585		382,639,585
Pension deficit	353,205,771		353,205,771

The total overall statutory debt limit for the Town is equal to seven times annual receipts from taxation, including coterminous municipalities, or \$824,146,799. All long-term debt obligations are retired through General Fund appropriations.

Indebtedness, in accordance with State statutes, includes long-term debt outstanding in addition to the amount of bonds authorized and unissued against which bonds have been issued to partially finance the project or bond anticipation notes issued and outstanding. Additionally, underlying debt of \$399,828 is included in the calculation of indebtedness. There is \$13,980,900 of bonds authorized unissued debt of which \$13,778,500 is for the Miller-Driscoll School, \$202,000 is for Middlebrook School electrical and HVAC improvements, and \$400 for gas conversion at various schools.

General Obligation Bonds Issue

On March 8, 2018, the Town issued \$11,715,000 of general obligation bonds with interest rates ranging from 3.0% to 5.0% with a premium of \$349,792.

Capital Leases

The Town has entered into three lease agreements as lessee for financing the acquisition of copier equipment at the Board Education. The leases qualify as capital leases for accounting purposes and, therefore, have been recorded at the present value of their future minimum lease payments as of the inception date.

The future minimum lease obligation and the net present value of the minimum lease payments as of June 30, 2018 were as follows:

	<u>Governmental Activities</u>	
	<u>Principal</u>	<u>Interest</u>
2019	\$ 668,232	\$ 25,409

Teamsters Pension Plan Liability

The Town was required to contribute to the Teamsters Union Local No. 145, New England Teamsters and Trucking Industry Pension Fund, a multiple-employer defined contribution plan, on behalf of full-time employees in the Public Works Department.

Effective October 17, 2013, the Town withdrew from the Pension Fund and agreed to a withdrawal liability of \$2,994,960 consisting of annual payments of \$148,734 to be made over a 20-year period commencing on July 13, 2014 and ending on July 13, 2034. The balance of the settlement at June 30, 2018 was \$2,395,967.

4. EMPLOYEE RETIREMENT PLAN

A. Pension Trust Fund

The Town is the administrator of a single-employer defined benefit pension plan (the Plan) that covers substantially all full-time employees of the Town, other than members of the Teamsters Union, certified teachers and other Board of Education personnel, who participate in a contributory retirement plan administered by the State Teachers' Retirement Board.

The Plan is considered to be part of the Town's financial reporting entity and is included in the Town's financial reports as a Pension Trust Fund. Stand-alone financial statements are not issued for the Plan.

The Trustees of the Retirement Plan for Employees of the Town of Wilton, Connecticut, include the five members of the Board of Selectmen and one member each from the Board of Finance and Board of Education and also the CFO of the Town. The Board of Education and CFO are nonvoting ex-officio members.

Plan Description and Benefits Provided

Eligibility

All full-time employees, customarily employed for more than 20 hours per week and more than five months per year, and not covered by any other nongovernmental retirement plan contributed to by State funds. Employees become active participants upon their date of employment.

Employees hired or rehired after the date indicated below are not eligible to participate in the Plan:

Non-Union	July 1, 2007
AFSCME	July 1, 2007
Library Association	June 1, 2009
BOE Custodians	July 1, 2010
BOE Discretionary and WAESCA	July 1, 2011

Vesting

Police and firefighters are 100% vested upon ten (10) years of credited service. Other employees are 100% vested upon ten (10) years of continuous service.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

Membership

At July 1, 2017, plan membership consisted of the following:

Retirees and beneficiaries currently receiving benefits	223
Active plan members	265
Terminated plan members entitled to, but not yet receiving benefits	<u>53</u>
Total Participants	<u><u>541</u></u>

Summary of Significant Accounting Policies

Basis of Accounting

Financial statements are prepared using the accrual basis of accounting for the three defined benefit pension plans. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and a formal commitment to provide the contributions has been made. Benefits and refunds are recognized when due and payable in accordance with the terms of the plans.

Method Used to Value Investments

Investments are reported at fair value. Securities traded on a national exchange are valued at the last reported sales price. Investment income is recognized as earned.

Funding Policy

Police

Police employees fund the Plan at a rate of 7.75% of annual base compensation.

Firefighters

Fire employees fund the Plan at a rate of 9.25% of annual base compensation (effective July 1, 2011).

Other Town Employees

All other Town employees fund the Plan at a rate of 3.5% of annual base compensation (6.0% for Town and Library members effective July 1, 2002, Board of Education Discretionary and WAESCA effective July 1, 2006, and for Board of Education custodians effective July 1, 2012).

The Town funds periodic contributions at an actuarially determined rate.

Administrative costs of the Plan are financed through investment earnings.

Benefits

Police

2.50% of average annual salary for each year of credited service (for highest consecutive three-year average compensation within the last 10 years preceding retirement date). Maximum benefits are 73% of average annual salary or maximum 29.2 years of credited service.

Firefighters

2.00% of average annual salary for each year of service through September 30, 1979 plus 2.5% of average annual salary for each year of credited service thereafter (average of the highest consecutive three years (effective July 1, 2003) average base contributable compensation, which effective July 1, 2002 includes holiday pay and effective July 1, 2003 includes longevity pay and effective July 1, 2008 includes EMT stipend, within the last 10 years preceding retirement). Maximum benefit is 71.25% of average annual salary.

Other Town Employees

2.00% of average annual salary (average of the highest consecutive four years compensation within the last ten years preceding the earlier of retirement or the cessation of contributions upon completion of 30 years of credited service) 2.25% for Town and Library members effective July 1, 2002, for Board of Education discretionary and WAESCA effective July 1, 2006, and for Board of Education custodians effective July 1, 2013. Maximum benefit is 60% (67.5% for Town and Library members effective July 1, 2002, for Board of Education discretionary and WAESCA, effective July 1, 2006, and for Board of Education custodians effective July 1, 2013) of average annual salary or maximum 30 years of credited service.

Investments

Investment Policy

The pension plan's policy in regard to the allocation of invested assets is established and may be amended by the Trustees of the Plan by a majority vote of its members. It is the policy of the Trustees pursue an investment strategy that achieves the stated actuarial target of the Plan, maintains sufficient liquidity to meet the obligations of the Plan, diversifies the assets of the Plan in order to reduce risk, and achieves investment results of the long-term that compare favorably with those of other pension plans, professionally managed portfolios and appropriate market indices. The following was the Board's asset allocation as of June 30, 2018:

Rate of Return

For the year ended June 30, 2018, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 7.17%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net Pension Liability

The Town's net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2017.

The components of the net pension liability of the Town at June 30, 2018 were as follows:

Total pension liability	\$	118,911,726
Plan fiduciary net position		<u>117,356,131</u>
Total Net Pension Liability	\$	<u><u>1,555,595</u></u>
Plan fiduciary net position as a percentage of the total pension liability		98.69%

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of July 1, 2017, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.6% (Prior: 3.0%)
Salary increases	2.5%
Investment rate of return	6.875%, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2014 Adjusted to 2006 Total Dataset Mortality Table projected to measurement date with Scale MP-2017.

The actuarial assumptions used in the July 1, 2017 valuation were based on the results of an actuarial experience study for the period July 1, 2011 - June 30, 2016.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed. Best estimates of the real rates of return for each major asset class are included in the pension plan's target asset allocation. The information below is based on geometric means and does not reflect additional returns through investment selection, asset allocation and rebalancing. The results support a rate between 6.75% and 7.25%. An expected rate of return of 6.875% was used.

Asset Class	Long-Term Expected Real Rate of Return
Core Fixed Income	1.65%
Global Fixed Income	1.85%
High Yield Fixed Income	3.05%
U.S. Large Cap	5.55%
U.S. Small Cap	6.00%
International Developed	5.55%
Emerging Markets	6.50%
Inflation Protection Fixed Income	1.65%
Private Debt	5.15%
Real Estate	4.20%

Discount Rate

The discount rate used to measure the total pension liability was 6.875%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that Town contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

B. Connecticut State Teachers' Retirement System

Plan Description

Teachers, principals, superintendents or supervisors engaged in service of public schools are provided with pensions through the Connecticut State Teachers' Retirement System, a cost sharing multiple-employer defined benefit pension plan administered by the Teachers Retirement Board. Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the Teachers Retirement Board. The Teachers Retirement Board issues a publicly available financial report that can be obtained at www.ct.gov.

Benefit Provisions

The plan provides retirement, disability and death benefits. Employees are eligible to retire at age 60 with 20 years of credited service in Connecticut, or 35 years of credited service including at least 25 years of service in Connecticut.

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

Normal Retirement

Retirement benefits for employees are calculated as 2% of the average annual salary times the years of credited service (maximum benefit is 75% of average annual salary during the three years of highest salary).

Early Retirement

Employees are eligible after 25 years of credited service including 20 years of Connecticut service, or age 55 with 20 years of credited service including 15 years of Connecticut service with reduced benefit amounts.

Disability Retirement

Employees are eligible for service-related disability benefits regardless of length of service. Five years of credited service is required for nonservice-related disability eligibility. Disability benefits are calculated as 2% of average annual salary times credited service to date of disability, but not less than 15% of average annual salary, nor more than 50% of average annual salary.

Contributions

Per Connecticut General Statutes Section 10-183z (which reflects Public Act 79-436 as amended), contribution requirements of active employees and the State of Connecticut are approved, amended and certified by the State Teachers Retirement Board and appropriated by the General Assembly.

Employer (School Districts)

School District employers are not required to make contributions to the plan.

The statutes require the State of Connecticut to contribute 100% of each school districts' required contributions, which are actuarially determined as an amount that, when combined with employee contributions, is expected to finance the costs of the benefits earned by employees during the year, with any additional amount to finance any unfunded accrued liability.

Employees

Effective July 1, 1992, each teacher is required to contribute 6% of salary for the pension benefit.

Effective January 1, 2018, the required contribution increased to 7% of pensionable salary.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

Pension Liabilities, Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2018, the Town reports no amounts for its proportionate share of the net pension liability, and related deferred outflows and inflows, due to the statutory requirement that the State pay 100% of the required contribution. The amount recognized by the Town as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability that was associated with the Town were as follows:

Town's proportionate share of the net pension liability	\$ -
State's proportionate share of the net pension liability associated with the Town	<u>127,644,082</u>
Total	\$ <u>127,644,082</u>

The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2016. At June 30, 2018, the Town has no proportionate share of the net pension liability.

For the year ended June 30, 2018, the Town recognized pension expense and revenue of \$14,764,692 in Exhibit II for on-behalf amounts for the benefits provided by the State.

Actuarial Assumptions

The total pension liability was determined by an actuarial valuation as of June 30, 2016, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75%
Salary increase	3.25-6.50%, including inflation
Investment rate of return	8.00%, net of pension plan investment expense, including inflation

Mortality rates were based on the RPH-2014 White Collar table with employee and annuitant rates blended from ages 50 to 80, projected to the year 2020 using the BB improvement scale, and further adjusted to grade in increased rates (5% for females and 8% for males) over age 80 for the period after service retirement and for dependent beneficiaries as well as for active members. The RPH-2014 Disabled Mortality Table projected to 2017 with Scale BB is used for the period after disability retirement.

The actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the period July 1, 2010 - June 30, 2015.

For teachers who retired prior to September 1, 1992, pension benefit adjustments are made in accordance with increases in the Consumer Price Index, with a minimum of 3% and a maximum of 5% per annum.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

For teachers who were members of the Teachers' Retirement System before July 1, 2007 and retire on or after September 1, 1992, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 6% per annum. If the return on assets in the previous year was less than 8.5%, the maximum increase is 1.5%.

For teachers who were members of the Teachers' Retirement System after July 1, 2007, pension benefit adjustments are made that are consistent with those provided for Social Security benefits on January 1 of the year granted, with a maximum of 5% per annum. If the return on assets in the previous year was less than 11.5%, the maximum increase is 3%, and if the return on the assets in the previous year was less than 8.5%, the maximum increase is 1.0%.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

The target asset allocation and best estimates of arithmetic real rates of return for each major class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Large Cap U.S. equities	21.0%	7.3%
Developed non-U.S. equities	18.0%	7.5%
Emerging markets (non-U.S.)	9.0%	8.6%
Core fixed income	7.0%	1.7%
Inflation linked bond fund	3.0%	1.3%
Emerging market bond	5.0%	4.8%
High yield bonds	5.0%	3.7%
Real estate	7.0%	5.9%
Private equity	11.0%	10.9%
Alternative investments	8.0%	0.7%
Liquidity fund	6.0%	0.4%
Total	<u>100.0%</u>	

Discount Rate

The discount rate used to measure the total pension liability was 8.00%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that State contributions will be made at the actuarially determined contribution rates in the future years. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The Town's proportionate share of the net pension liability is \$-0- and, therefore, the change in the discount rate would only impact the amount recorded by the State of Connecticut.

Other Information

Additional information is included in the required supplementary information section of the financial statements. A schedule of contributions is not presented as the Town has no obligation to contribute to the plan.

C. Defined Contribution Pension Plan

The Town is the administrator of a single employer, defined contribution pension plan. In a defined contribution pension plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Beginning in fiscal year 2008, the Town provided pension benefits for all full-time Town employees hired after July 1, 2007, except members of the Police Department who were hired before April 2, 2015 and Fire Department, through a single-employer, contributory, defined contribution pension plan. The Teamsters became members of this plan as of July 1, 2013. This plan has a five-year vesting. Employees are eligible to participate in the plan upon employment. Any participant who has attained his normal retirement date and required years of credited service is eligible for a normal retirement benefit. The normal retirement date for participating employees is attained at age 65.

The plan requires the Town to contribute an amount equal to 5% of the employee's base salary for employees hired after October 4, 2016 and 9% for all others. Employees are required to contribute 5% of their annual salary. Benefits vest 100% after five years. Loans are not permitted under the plan. During 2014, the Teamsters withdrew from the Teamster Pension and entered this plan. The Town made a one-time contribution totaling 1.5% for each year of credited service under the Teamsters Pension times the employee's base pay.

Town contributions amounted to \$303,546. Employees contributed \$122,680 to the plan. Contributions made by the Town and its employees represent 9% and 5%, respectively, of covered payroll for the year.

The assets for the plan are held and administered by ICMA Retirement Corporation. The Board of Selectmen has the authority to establish or amend plan provisions and contribution requirements.

5. OTHER POST EMPLOYMENT BENEFIT PLANS

Postemployment Healthcare Plan

A. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Town's Other Post Employment Benefits Fund (OPEB) are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when they are due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Administrative costs of the plan are paid by the OPEB plan.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

The OPEB Trust Fund is reported on the accrual basis of accounting. Employee contributions are recognized in the period in which the contributions are due. Employer contributions to the plan are recognized when they are due and the Town has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of each plan. Administrative costs are financed through investment earnings.

Investments are reported at fair value. Investment income is recognized as earned.

Management of the post employment benefits plan is vested with the First Selectman and CFO. Policy oversight is provided by the OPEB Committee, which consists of three members.

Plan Description

The Town provides post employment benefits for Police Department, Teachers and certain other retirees. This benefit is provided per various bargaining agreements. The Town pays for 100% of retiree and spouse costs for Police and 75% of retiree costs for Town and Board of Education administrators. The Town is required to provide medical, dental and life insurance to certain retired police officers. The Town is also required to provide medical and dental insurance to certain other retirees until the retirees reach the age of 65 or unless covered elsewhere. The post employment benefits plan is a single-employer defined benefit healthcare plan administered by the Town. The post employment benefits plan is considered to be part of the Town's financial reporting entity and is included in the Town's financial report as the Other Post Employment Benefits Trust Fund. The Town does not issue a separate stand-alone financial statement for this program.

Management of the post employment benefits plan is vested with the Town Manager and Director of Finance. Policy oversight is provided by the Employee Insurance and Pension Benefits Committee, which consists of eleven members: five who specialize in the employee benefits field, two from the Town Council, two from the Board of Education and two alternate members.

At July 1, 2017, plan membership consisted of the following:

Inactive employees currently receiving benefit payments	38
Active employees	<u>772</u>
Total	<u><u>810</u></u>

B. Funding Policy and Benefits Provided

The Town has established a trust fund to irrevocably segregate assets to fund the liability associated with post employment benefits. The fund is reported as a trust fund in accordance with GASB guidelines. The annual actuarially determined contribution payment is transferred into this account annually from the General Fund and budgeted as part of the budgeting process, which is approved by the Town Council.

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

The Town's funding strategy for post employment obligations are based upon characteristics of benefits on three distinct groups of employees established within their respective collective bargaining units and/or contracts and include the following:

- AFSCME Board of Education and Town employees are eligible for retiree health care coverage until age 65 upon attainment of normal or early retirement. Normal retirement is the earlier of age 63 or completion of 25 years of service. Early retirement is age 55, and 5 years of continuous service or 15 years of aggregate service. Coverage is pre-65 only. Post-65 non-Medicare eligible retirees can continue coverage at their own expense.
- Police officers are eligible for retiree health care coverage until age 65 upon attainment of normal or early retirement. Normal retirement is the earlier of age 50 or completion of 20 years of service. Early retirement is age 45 and 10 years of continuous service. For officers hired on or after January 1, 2007, normal retirement is the completion of 25 years of service regardless of age and an officer retiring prior to normal retirement shall not be eligible for retiree health care benefits.
- Per state statute, any Teacher and School Certified Administrator hired prior to March 1986 that does not qualify for Medicare is eligible for retiree health coverage for lifetime at the earlier of age 55 with 20 years of service or 25 years of service. Those qualifying for Medicare are allowed to remain on the health insurance plan until age 65.
- Surviving spouses of retired teachers and nonteachers at the school are allowed to remain on the plan.
- Surviving spouses of retirees and actives eligible to retire are allowed to remain on the plan.

C. Investments

Investment Policy

OPEB Benefits Plan's policy in regard to the allocation of invested assets is established and may be amended by the Employee Insurance and Pension Benefits Committee by a majority vote of its members. It is the policy of the Employee Insurance and Pension Benefits Committee to pursue an investment strategy that reduces risk through the prudent diversification of the portfolio across a broad selection of distinct asset classes. Employee Insurance and Pension Benefits Committee's investment policy discourages the use of cash equivalents, except for liquidity purposes, and aims to refrain from dramatically shifting asset class allocations over short time spans.

Rate of Return

For the year ended June 30, 2018, the annual money-weighted rate of return on investments, net of investment expense, was 6.8%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

D. Net OPEB Liability (Asset) of the Town

The Town's net OPEB liability (asset) was measured as of June 30, 2018. The components of the net OPEB liability of the Town at June 30, 2018 were as follows:

Total OPEB liability	\$	6,922,254
Plan fiduciary net position		<u>7,475,677</u>
Net OPEB Liability (Asset)	\$	<u>(553,423)</u>
Plan fiduciary net position as a percentage of the total OPEB liability		107.99%

Actuarial Assumptions

The total OPEB liability at June 30, 2018 was determined by an actuarial valuation as of July 1, 2017, using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.60%
Salary increases	3.50%, average, including inflation
Discount rate	5.75%
Healthcare cost trend rates	7.6% for 2016, decreasing 0.5% per year to an ultimate rate of 4.6% for 2022 and later years
Retirees' share of benefit-related costs	50% for police and fire and 100% for all other retirees

Mortality rates for healthy participants were based on the RP-2000 Combined Healthy Mortality Table for males and females, projected forward 19 years using scale AA, with a two-year age setback. Mortality rates for disabled participants were based on RP-2000 Combined Healthy Mortality Table for males and females, projected forward 19 years using scale AA, with an eight-year set forward.

The plan has not had a formal actuarial experience study performed.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset as of June 30, 2018 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Cash	5.00 %	0.35 %
Core Fixed Income	30.00	1.65
Global Fixed Income	5.00	1.85
High Yield Fixed Income	5.00	3.05
U.S. Large Cap Equity	24.00	5.55
U.S. Small Cap Equity	6.00	6.00
International Developed Equity	16.00	5.55
Emerging Markets Equity	4.00	6.50
REITs	5.00	4.40
Total	100.00	

E. Discount Rate

The discount rate used to measure the total OPEB liability was 5.75%. The projection of cash flows used to determine the discount rate assumed that Town contributions will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB plan investments was applied to all periods of projected benefit payments to determine the total OPEB liability.

State Teachers Retirement Plan

A. Plan Description

Teachers, principals, superintendents or supervisors engaged in service of public schools plus professional employees at State Schools of higher education are eligible to participate in the Connecticut State Teachers' Retirement System Retiree Health Insurance Plan (TRS-RHIP), a cost sharing multiple-employer defined benefit other post employment benefit plan administered by the Teachers' Retirement Board (TRB), if they choose to be covered.

Chapter 167a of the State Statutes grants authority to establish and amend the benefit terms to the TRB. TRS-RHIP issues a publicly available financial report that can be obtained at www.ct.gov/trb.

B. Benefit Provisions

There are two types of the health care benefits offered through the system. Subsidized Local School District Coverage provides a subsidy paid to members still receiving coverage through their former employer and the CTRB Sponsored Medicare Supplemental Plans provide coverage for those participating in Medicare but not receiving Subsidized Local School District Coverage.

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

Any member who is not currently participating in Medicare Parts A & B is eligible to continue health care coverage with their former employer. A subsidy of up to \$110 per month for a retired member plus an additional \$110 per month for a spouse enrolled in a local school district plan is provided to the school district to first offset the retiree's share of the cost of coverage, and any remaining portion is used to offset the district's cost. The subsidy amount is set by statute and has not increased since July 1996. A subsidy amount of \$220 per month may be paid for a retired member, spouse or the surviving spouse of a member who has attained the normal retirement age to participate in Medicare, is not eligible for Part A of Medicare without cost, and contributes at least \$220 per month towards coverage under a local school district plan.

Any member who is currently participating in Medicare Parts A & B is eligible to either continue health care coverage with their former employer, if offered, or enroll in the plan sponsored by the System. If they elect to remain in the plan with their former employer, the same subsidies as above will be paid to offset the cost of coverage.

If a member participating in Medicare Parts A & B so elects, they may enroll in one of the CTRB Sponsored Medicare Supplemental Plans. Active members, retirees and the State pay equally toward the cost of the basic coverage (medical and prescription drug benefits). There are three choices for coverage under the CTRB Sponsored Medicare Supplemental Plans. The choices and 2017 calendar year premiums charged for each choice are shown in the table below:

Medicare Supplement with Prescriptions	\$ 92
Medicare Supplement with Prescriptions and Dental	136
Medicare Supplement with Prescriptions, Dental, Vision & Hearing	141

Those participants electing vision, hearing and/or dental are required by the System's funding policy to pay the full cost of coverage for these benefits, and no liability is assumed by the plan for these benefits.

Survivor Health Care Coverage

Survivors of former employees or retirees remain eligible to participate in the plan and continue to be eligible to receive either the \$110 monthly subsidy or participate in the TRB-Sponsored Medicare Supplemental Plans, as long as they do not remarry.

C. Eligibility

Any member who is currently receiving a retirement or disability benefit is eligible to participate in the plan.

Credited Service

One month for each month of service as a teacher in Connecticut public schools, maximum 10 months for each school year. Ten months of credited service constitutes one year of Credited Service. Certain other types of teaching services, State employment, or wartime military service may be purchased prior to retirement if the member pays one-half the cost.

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

Normal Retirement

Age 60 with 20 years of Credited Service in Connecticut, or 35 years of Credited Service including at least 25 years of service in Connecticut.

Early Retirement

Age 55 with 20 years of Credited Service including 15 years of Connecticut service, or 25 years of Credited Service including 20 years of Connecticut service.

Proratable Retirement

Age 60 with 10 years of Credited Service.

Disability Retirement

No service requirement if incurred in the performance of duty, and 5 years of Credited Service in Connecticut if not incurred in the performance of duty.

Termination of Employment

Ten or more years of Credited Service.

D. Contributions

State of Connecticut

Per Connecticut General Statutes Section 10-183z, contribution requirements of active employees and the State of Connecticut are approved, amended and certified by the State Teachers' Retirement Board and appropriated by the General Assembly. The State contributions are not currently actuarially funded. The State appropriates from the General Fund one third of the annual costs of the Plan. Administrative costs of the Plan are financed by the State. Based upon Chapter 167a, Subsection D of Section 10-183t of the Connecticut statutes, it is assumed the State will pay for any long-term shortfall arising from insufficient active member contributions.

Employer (School Districts)

School District employers are not required to make contributions to the plan.

Employees

Each member is required to contribute 1.25% of their annual salary up to \$500,000. Contributions in excess of \$500,000 will be credited to the Retiree Health Insurance Plan.

TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018

E. OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At June 30, 2018, the Town reports no amounts for its proportionate share of the net OPEB liability, and related deferred outflows and inflows, due to the statutory requirement that the State pay 100% of the required contribution. The amount recognized by the Town as its proportionate share of the net OPEB liability, the related State support and the total portion of the net OPEB liability that was associated with the Town was as follows:

Town's proportionate share of the net OPEB liability	\$ -
State's proportionate share of the net OPEB liability associated with the Town	<u>32,854,130</u>
Total	<u>\$ 32,854,130</u>

The net OPEB liability was measured as of June 30, 2017, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of June 30, 2016. At June 30, 2018, the Town has no proportionate share of the net OPEB liability.

For the year ended June 30, 2018, the Town recognized OPEB expense and revenue of \$1,522,626 in Exhibit II for on-behalf amounts for the benefits provided by the State.

F. Actuarial Assumptions

The total OPEB liability was determined by an actuarial valuation as of June 30, 2016, using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75%
Health care costs trend rate	7.25% decreasing to 5.00% by 2022
Salary increases	3.25-6.50%, including inflation
Investment rate of return	3.56%, net of OPEB plan investment expense, including inflation
Year fund net position will be depleted	2018

Mortality rates were based on the RPH-2014 White Collar table with employee and annuitant rates blended from ages 50 to 80, projected to the year 2020 using the BB improvement scale, and further adjusted to grade in increases (5% for females and 8% for males) over age 80. For disabled retirees, mortality rates were based on the RPH-2014 Disabled Mortality Table projected to 2017 using the BB improvement scale.

The actuarial assumptions used in the June 30, 2016 valuation were based on the results of an actuarial experience study for the period July 1, 2010 - June 30, 2015.

The long-term expected rate of return on plan assets is reviewed as part of the GASB 74 valuation process. Several factors are considered in evaluating the long-term rate of return assumption, including the plan's current asset allocations and a log-normal distribution analysis using the best-estimate ranges of expected future real rates of return (expected return, net investment expense and inflation) for each major asset class. The long-term expected rate of return was determined by

**TOWN OF WILTON, CONNECTICUT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2018**

weighting the expected future real rates of return by the target asset allocation percentage and then adding expected inflation. The assumption is not expected to change absent a significant change in the asset allocation, a change in the inflation assumption, or a fundamental change in the market that alters expected returns in future years. The plan is 100% invested in U.S. Treasuries (Cash Equivalents) for which the expected 10-Year Geometric Real Rate of Return is (0.04%).

G. Discount Rate

The discount rate used to measure the total OPEB liability was 3.56%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current member contribution rate and that contributions for future plan members were used to reduce the estimated amount of total service costs for future plan members. No future State contributions were assumed to be made. Based on those assumptions, the OPEB plan's fiduciary net position was projected to be depleted in 2018 and, as a result, the Municipal Bond Index Rate was used in the determination.

H. Sensitivity of the Net OPEB Liability to Changes in the Health Care Cost Trend Rate and the Discount Rate

The Town's proportionate share of the net OPEB liability is \$-0- and, therefore, the change in the health care cost trend rate or the discount rate would only impact the amount recorded by the State of Connecticut.

I. Other Information

Additional information is included in the required supplementary information section of the financial statements. A schedule of contributions is not presented as the Town has no obligation to contribute to the plan. Detailed information about the Connecticut State Teachers OPEB Plan fiduciary net position is available in the separately issued State of Connecticut Comprehensive Annual Financial Report at www.ct.gov.

6. OTHER INFORMATION

A. Risk Management

The Town is exposed to various risks of loss, including torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; employee health and medical; and natural disasters. The Town generally obtains commercial insurance for these risks, but has chosen to retain the risks for workers' compensation and employee health and medical claims. Under the Town's current policy, the Medical Benefits Fund covers all employee claims up to \$225,000 per claim with a stop-loss policy covering amounts exceeding the limit. The Town also purchases aggregate stop-loss coverage for claims in excess of 120% of expected claim level, which approximates \$16 million. The Workers' Compensation Fund covers claims associated with work-related injuries. The Town purchases commercial insurance for claims in excess of coverage provided by the Workers' Compensation Fund with an individual claim maximum of \$250,000 and a \$650,000 aggregate maximum per year. Town management has estimated a liability using actuarial methods at June 30, 2018 for claims incurred but not reported as shown below. Heart and Hypertension cases are estimated and negotiated by legal counsel.

2016-17	836,243	-	(289,381)	546,862

The Town purchases commercial insurance for all other risks of loss, including blanket and umbrella policies. Settled claims have not exceeded commercial coverage in any of the past three fiscal years.

B. Contingencies

The Town is currently involved in several litigation matters. In the estimation of the Town's management and legal counsel, the final settlement of these matters will not materially affect the financial condition of the Town.

Form of Opinion of Bond Counsel

(This page intentionally left blank)

[FORM OF OPINION OF BOND COUNSEL]

May ____, 2019

Town of Wilton,
Wilton, Connecticut

Ladies and Gentlemen:

We have examined certified copies of the proceedings of the Town of Wilton, Connecticut (the “Town”), a Tax Regulatory Agreement of the Town, dated May ____, 2019 (the “Tax Regulatory Agreement”), and other proofs submitted to us relative to the issuance and sale of \$3,600,000 Town of Wilton, Connecticut General Obligation Bonds, dated May ____, 2019 (the “Bonds”), maturing on May 1 in each of the years, in the principal amounts and bearing interest payable on November 1, 2019 and semiannually thereafter on May 1 and November 1 in each year until maturity or earlier redemption, at the rates per annum as follows:

<u>Year of Maturity</u>	<u>Principal Amount</u>	<u>Interest Rate Per Annum</u>	<u>Year of Maturity</u>	<u>Principal Amount</u>	<u>Interest Rate Per Annum</u>
2020	\$360,000	%	2025	\$360,000	%
2021	360,000		2026	360,000	
2022	360,000		2027	360,000	
2023	360,000		2028	360,000	
2024	360,000		2029	360,000	

with principal payable at the principal office of U.S. Bank National Association, in Hartford, Connecticut, and with interest payable to the registered owner as of the close of business on the fifteenth day of April and October in each year, or the preceding business day if such fifteenth day is not a business day, by check mailed to such registered owner at his address as shown on the registration books of the Town kept for such purpose. The Bonds are subject to redemption prior to maturity as therein provided.

The Bonds are originally registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), to effect a book-entry system for the ownership and transfer of the Bonds. So long as DTC or its nominee is the registered owner, principal and interest payments on the Bonds will be made to DTC.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds, and we express no opinion relating thereto, excepting only the matters set forth as our opinion in the Official Statement.

We are of the opinion that such proceedings and proofs show lawful authority for the issuance and sale of the Bonds under authority of the Constitution and General Statutes of Connecticut and that the Bonds are a valid general obligation of the Town the principal of and interest on which is payable from ad valorem taxes which may be levied on all taxable property subject to taxation by the Town without limitation as to rate or amount except as to classified property, such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts. We are further of the opinion that the Tax Regulatory Agreement is a valid and binding agreement of the Town.

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met at and subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excluded from gross income for federal income tax purposes. The Town has covenanted in the Tax Regulatory Agreement that it will at all times perform all acts and things necessary or appropriate under any valid provision of law to ensure that interest paid on the Bonds shall be excluded from gross income for federal income tax purposes under the Code.

In our opinion, under existing statutes and court decisions, interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of computing the federal alternative minimum tax. We express no opinion regarding any other federal income tax consequences caused by ownership or disposition of, or receipt of interest on, the Bonds.

In rendering the foregoing opinions regarding the federal tax treatment of interest on the Bonds, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and expectations, and certifications of fact contained in the Tax Regulatory Agreement, and (ii) the compliance by the Town with the covenants and procedures set forth in the Tax Regulatory Agreement as to such tax matters.

We are further of the opinion that, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax. We express no opinion regarding any other State or local tax consequences caused by the ownership or disposition of the Bonds.

Legislation affecting the exclusion from gross income of interest on State or local bonds, such as the Bonds, is regularly under consideration by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not reduce or eliminate the benefit of the exclusion from gross income of interest on the Bonds or adversely affect the market price of the Bonds.

These opinions are rendered as of the date hereof and are based on existing law, which is subject to change. We assume no obligation to update or supplement these opinions to reflect any facts or circumstances that may come to our attention, or to reflect any changes in law that may hereafter occur or become effective.

The rights of owners of the Bonds and the enforceability of the Bonds and the Tax Regulatory Agreement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by application of equitable principles, whether considered at law or in equity.

Respectfully,

[FORM OF CONTINUING DISCLOSURE AGREEMENT]

CONTINUING DISCLOSURE AGREEMENT

Town of Wilton, Connecticut
\$3,600,000 General Obligation Bonds
dated May ___, 2019

May ___, 2019

WHEREAS, the Town of Wilton, Connecticut (the "Town") has heretofore authorized the issuance of \$3,600,000 in aggregate principal amount of its General Obligation Bonds, dated May ___, 2019 (the "Bonds"), maturing on the dates and in the amounts set forth in the Town's Official Statement dated May ___, 2019 describing the Bonds (the "Official Statement"); and

WHEREAS, the Bonds have been sold by a competitive bid pursuant to a Notice of Sale dated April 15, 2019 (the "Notice of Sale"); and

WHEREAS, in the Notice of Sale, the Town has heretofore acknowledged that an underwriter may not purchase or sell the Bonds unless it has reasonably determined that the Town has undertaken in a written agreement for the benefit of the beneficial owners of the Bonds to provide certain continuing disclosure information as required by Securities and Exchange Commission Rule 15c2-12(b)(5), as amended from time to time (the "Rule"), and the Town desires to assist the underwriter of the Bonds in complying with the Rule; and

WHEREAS, the Town is authorized pursuant to Section 3-20e of the General Statutes of Connecticut to make such representations and agreements for the benefit of the beneficial owners of the Bonds to meet the requirements of the Rule; and

WHEREAS, in order to assist the underwriter of the Bonds in complying with the Rule, this Continuing Disclosure Agreement (this "Agreement") is to be made, executed and delivered by the Town in connection with the issuance of the Bonds and to be described in the Official Statement, all for the benefit of the beneficial owners of the Bonds, as they may be from time to time;

NOW, THEREFORE, the Town hereby represents, covenants and agrees as follows:

Section 1. Definitions. In addition to the terms defined above, the following capitalized terms shall have the meanings ascribed thereto:

"Annual Report" shall mean any Annual Report provided by the Town pursuant to, and as described in, Sections 2 and 3 of this Agreement.

"Financial Obligation" shall mean any (i) debt obligation, (ii) derivative instrument entered into in connection with, or pledged as security or source of payment for, an existing or planned debt obligation, or (iii) guarantee of (i) or (ii). Municipal securities as to which a final official statement has been filed with the Repository, consistent with the Rule, shall not be considered a Financial Obligation.

"Fiscal Year End" shall mean the last day of the Town's fiscal year, currently June 30.

"Listed Events" shall mean any of the events listed in Section 4 of this Agreement.

"MSRB" shall mean the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, as amended, or any successor thereto.

“Repository” shall mean the Electronic Municipal Market Access (EMMA) system as described in 1934 Act Release No. 57577 for purposes of the Rule, the MSRB or any other nationally recognized municipal securities information repository or organization recognized by the SEC from time to time for purposes of the Rule.

“SEC” shall mean the Securities and Exchange Commission of the United States or any successor thereto.

Section 2. Annual Reports.

(a) The Town shall provide or cause to be provided to the Repository in electronic format, accompanied by identifying information, as prescribed by the MSRB, the following annual financial information and operating data regarding the Town:

(i) Audited financial statements as of and for the year ending on its Fiscal Year End prepared in accordance with accounting principles generally accepted in the United States, as promulgated by the Governmental Accounting Standards Board from time to time or mandated state statutory principles as in effect from time to time; and

(ii) Financial information and operating data as of and for the year ending on its Fiscal Year End of the following type to the extent not included in the audited financial statements described in (i) above:

(A) the amounts of the gross and net taxable grand list;

(B) a listing of the ten largest taxpayers on the grand list, together with each such taxpayer’s taxable valuation thereon;

(C) the percentage and amount of the annual property tax levy collected and uncollected;

(D) a schedule of the annual debt service on outstanding long-term bonded indebtedness;

(E) a calculation of the net direct debt, total direct debt, and total overall net debt (reflecting overlapping and underlying debt);

(F) the total direct debt, total net direct debt and total overall net debt of the Town per capita;

(G) the ratios of total direct debt and total overall net debt of the Town to the Town’s net taxable grand list;

(H) a statement of statutory debt limitations and debt margins; and

(I) the funding status of the Town’s pension benefit obligations.

(b) The above-referenced information is expected to be provided by the filing of and cross reference to the Town’s audited financial statements. The information may be provided in whole or in part by cross-reference to other documents previously provided to the Repository, including official statements of the Town which will be available from the MSRB.

(c) Subject to the requirements of Section 8 hereof, the Town reserves the right to modify from time to time the type of financial information and operating data provided or the format of the presentation of such financial information and operating data, to the extent necessary or appropriate; provided that the Town agrees that any such modification will be done in a manner consistent with the Rule. The Town also reserves the right to modify the preparation and presentation of financial statements described herein as may be required to conform with changes in Connecticut law applicable to municipalities or any changes in generally accepted accounting principles, as promulgated by the Governmental Accounting Standards Board from time to time.

Section 3. Timing. The Town shall provide the financial information and operating data referenced in Section 2(a) not later than eight months after each Fiscal Year End subsequent to the date of issuance of the Bonds, provided, however, that if such financial information and operating data for the Fiscal Year End preceding the date of issuance of the Bonds is not contained in the Official Statement for the Bonds or has not otherwise been previously provided, the Town shall provide such financial information and operating data no later than eight months after the close of such preceding Fiscal Year End. The Town agrees that if audited financial statements are not available eight months after the close of any Fiscal Year End, it shall submit unaudited financial statements by such time and will submit audited financial statements information when and if available.

Section 4. Event Notices. The Town agrees to provide, or cause to be provided, in a timely manner not in excess of ten (10) business days after the occurrence of the event, notice to the Repository in electronic format, accompanied by identifying information, as prescribed by the MSRB, of the occurrence of any of the following events:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;
- (vi) adverse tax opinions; the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) modifications to rights of Bondholders, if material;
- (viii) Bond calls, if material, and tender offers;
- (ix) defeasances;
- (x) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (xi) rating changes;
- (xii) bankruptcy, insolvency, receivership, or similar event of any obligated person;
- (xiii) the consummation of a merger, consolidation, or acquisition involving any obligated person or the sale of all or substantially all of the assets of any obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake any such an action or the termination of a definitive agreement relating to such actions, other than pursuant to its terms, if material;
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if any, if material;
- (xv) incurrence of a Financial Obligation by any obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of any obligated person, any of which affect Bondholders, if material; and
- (xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of any obligated person, any of which reflect financial difficulties.

Section 5. Notice of Failure. The Town agrees to provide, or cause to be provided, in a timely manner to the Repository in electronic format, accompanied by identifying information, as prescribed by the MSRB, notice of any failure by the Town to provide the annual financial information described in Section 2(a) of this Agreement on or before the date described in Section 3 of this Agreement.

Section 6. Termination of Reporting Obligation. The Town's obligations under this Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds.

Section 7. Agent. The Town may, from time to time, appoint or engage an agent to assist it in carrying out its obligations under this Agreement, and may discharge any such agent, with or without appointing a successor agent.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Agreement, the Town may amend this Agreement, and any provision of this Agreement may be waived, if such amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law, or a change in the identity, nature or status of the Town, and is supported by an opinion of counsel expert in federal securities laws, to the effect that (i) such amendment or waiver would not materially adversely affect the beneficial owners of the Bonds and (ii) this Agreement, as so amended, would have complied with the requirements of the Rule as of the date of this Agreement, taking into account any amendments or interpretations of the Rule as well as any changes in circumstances. A copy of any such amendment will be filed in a timely manner with the Repository in electronic format. The Annual Report provided on the first date following adoption of any such amendment will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of financial information or operating data provided.

Section 9. Additional Information. Nothing in this Agreement shall be deemed to prevent the Town from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Report or providing notice of the occurrence of any other event, in addition to that which is required by this Agreement. If the Town chooses to include any other information in any Annual Report or provide notice of the occurrence of any other event in addition to that which is specifically required by this Agreement, the Town shall have no obligation under this Agreement to update such information or include or provide such information or notice of the occurrence of such event in the future.

Section 10. Indemnification. The Town agrees, pursuant to applicable law, to indemnify and save its officials, officers and employees harmless against any loss, expense or liability which they may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability hereunder, but excluding any loss, expense or liability due to any such person's malicious, wanton, or willful act. The obligations of the Town under this Section shall survive termination of this Agreement.

Section 11. Enforceability. The Town agrees that its undertaking pursuant to the Rule set forth in this Agreement is intended to be for the benefit of and enforceable by the beneficial owners of the Bonds. In the event the Town shall fail to perform its duties hereunder, the Town shall have the option to cure such failure after its receipt of written notice from any beneficial owner of the Bonds of such failure. In the event the Town does not cure such failure, the right of any beneficial owner of the Bonds to enforce the provisions of this undertaking shall be limited to a right to obtain specific performance of the Town's obligations hereunder. No monetary damages shall arise or be payable hereunder, nor shall any failure to comply with this Agreement constitute a default of the Town with respect to the Bonds.

IN WITNESS WHEREOF, the Town has caused this Continuing Disclosure Agreement to be executed in its name by its undersigned officers, duly authorized, all as of the date first above written.

Notice of Sale

(This page intentionally left blank)

NOTICE OF SALE
\$3,600,000
TOWN OF WILTON, CONNECTICUT
GENERAL OBLIGATION BONDS, ISSUE OF 2019

Electronic bids (as described herein) will be received by the **TOWN OF WILTON, CONNECTICUT** (the "Town"), until 11:30 A.M. (E.T.) Thursday,

APRIL 25, 2019

(the "Sale Date") for the purchase of all, but not less than all, of the \$3,600,000 Town of Wilton, Connecticut General Obligation Bonds, Issue of 2019 (the "Bonds"). Electronic bids must be submitted via **PARITY®**. (See "Electronic Bidding Procedures").

The Town reserves the right to make changes to the provisions of this Notice of Sale, including the date and time of the sale, prior to the date and time of sale set forth above. Any such changes will be posted through **PARITY®**. Prospective bidders are advised to check for such **PARITY®** postings prior to the above stated sale time.

The Bonds

The Bonds will be dated May 6, 2019, mature in the principal amounts of \$360,000 on May 1 in each of the years 2020 to 2029, both inclusive, bear interest payable on November 1, 2019 and semiannually thereafter on May 1 and November 1 in each year until maturity or earlier redemption, as further described in the Preliminary Official Statement for the Bonds dated April 15, 2019 (the "Preliminary Official Statement").

The Bonds maturing on or before May 1, 2024 are not subject to redemption prior to maturity. The Bonds maturing on May 1, 2025 and thereafter are subject to redemption prior to maturity, at the election of the Town, on and after May 1, 2024 at any time, in whole or in part and by lot within a maturity, in such amounts and in such order of maturity as the Town may determine, at the respective prices (expressed as a percentage of the principal amounts of Bonds to be redeemed) set forth in the following table, together with interest accrued and unpaid to the redemption date:

<u>Redemption Date</u>	<u>Redemption Price</u>
May 1, 2024 and thereafter	100%

Nature of Obligation

The full faith and credit of the Town will be pledged for the prompt payment of the principal of and interest on the Bonds when due. The Bonds will be general obligations of the Town payable, unless paid from other sources, from ad valorem taxes which may be levied on all taxable property subject to taxation by the Town without limitation as to rate or amount except as to classified property such as certified forest lands taxable at a limited rate and dwelling houses of qualified elderly persons of low income or of qualified disabled persons taxable at limited amounts.

Bank Qualification

The Bonds shall be designated by the Town as qualified tax exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended (the "Code"), for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

Registration

The Bonds will be issued by means of a book-entry system with no physical distribution of bond certificates made to the public. The Bonds will be issued in registered form and one bond certificate for each maturity will be issued to The Depository Trust Company, New York, New York ("DTC"), registered in the name of its nominee, Cede & Co., and immobilized in their custody. A book-entry system will be employed, evidencing ownership of the Bonds in principal amounts of \$5,000 and integral multiples thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures adopted by DTC and its participants. The winning bidder, as a condition to delivery of the Bonds, will be required to deposit the bond certificates with DTC, or its custodian, registered in the name of Cede & Co. Principal of and interest on the Bonds will be payable by the Town or its agent in Federal funds to DTC or its nominee as registered owner of the Bonds. Principal and interest payments to participants of DTC will be the responsibility of DTC. Principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Town will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

Electronic Bidding Procedures

Any prospective bidder intending to submit an electronic bid must submit its electronic bid through the facilities of **PARITY®**. Subscription to i-Deal LLC's BiDCOMP Competitive Bidding System is required in order to submit an electronic bid and the Town will neither confirm any subscription nor be responsible for the failure of any prospective bidder to subscribe.

An electronic bid made through the facilities of **PARITY®** shall be deemed an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale, and shall be binding upon the bidder as if made by a signed, sealed bid delivered to the Town. The Town shall not be responsible for any malfunction or mistake made by, or as a result of the use of the facilities of, **PARITY®**, the use of such facilities being the sole risk of the prospective bidder.

All electronic bids shall be deemed to incorporate the provisions of this Notice of Sale. If any provisions of this Notice of Sale shall conflict with information provided by **PARITY®** as the approved provider of electronic bidding services, this Notice of Sale shall control. Further information about **PARITY®**, including any fee charged, may be obtained from **PARITY®**, 1359 Broadway, 2nd Floor, New York, New York 10018, Attention: Customer Service Department (telephone: (212) 849-5021 - email notice: parity@i-deal.com).

Bid Specifications/Basis of Award

Each bid must be for the entire \$3,600,000 of Bonds and must specify the rate or rates of interest therefor in a multiple of 1/20 or 1/8 of 1% per annum. Bids shall not state more than one interest rate for any Bonds having the same maturity date. The highest interest rate bid for a maturity and the lowest rate bid for any other maturity may not differ by more than three (3%) percentage points. Interest shall be computed

on the basis of twelve 30 day months and a 360 day year. No bid for less than all of the Bonds or for less than par and accrued interest, if any, will be considered.

For purposes of the electronic bidding process, the time as maintained by **PARITY®** shall constitute the official time. For information purposes only, bidders are requested to state in their bids the true interest cost to the Town, computed and rounded to six decimal places.

For the purpose of determining the successful bidder, the true interest cost to the Town will be the annual interest rate, compounded semiannually, which, when used to discount all payments of principal and interest payable on the Bonds to May 6, 2019, the date of the Bonds, results in an amount equal to the purchase price for the Bonds, not including interest accrued, if any, to May 6, 2019, the delivery date of the Bonds. It is requested that each bid be accompanied by a statement of the percentage of true interest cost computed and rounded to six decimal places. Such statement shall not be considered as a part of the bid. The Bonds will be awarded or all bids will be rejected promptly after the bid opening, but not later than 4:00 P.M. (E.T.) on the Sale Date. The purchase price must be paid in Federal funds.

The Town reserves the right to reject any and all bids and to waive any irregularity or informality with respect to any bid. The Town further reserves the right to postpone the sale to another time and date in its sole and absolute discretion for any reason, including, without limitation, internet difficulties. The Town will use its best efforts to notify prospective bidders in a timely manner of any need for a postponement. Unless all bids are rejected or the bid is postponed, the Bonds will be awarded to the bidder offering to purchase them at the lowest true interest cost.

Closing Documents and Legal Opinion

The Bonds will be certified by U.S. Bank National Association, Hartford, Connecticut. The legality of the Bonds will be passed upon by Robinson & Cole LLP, Hartford, Connecticut ("Bond Counsel"), and the winning bidder will be furnished with their opinion without charge. The winning bidder will also be furnished with a signature and no litigation certificate, a receipt of payment satisfactory in form to Bond Counsel, a signed copy of the final Official Statement prepared for the Bonds, a certificate signed by the appropriate officials of the Town relating to the accuracy and completeness of information contained in the final Official Statement, and an executed Continuing Disclosure Agreement.

The legal opinion will further state that (i) under existing statutes and court decisions, interest on the Bonds is excluded from gross income for federal income tax purposes, (ii) such interest is not treated as an item of tax preference for purposes of computing the federal alternative minimum tax, (iii) under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates, and (iv) such interest is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay federal alternative minimum tax. In rendering its legal opinion, Bond Counsel will rely upon and assume the material accuracy of the representations and statements of expectation contained in the Tax Regulatory Agreement entered into by the Town for the benefit of the owners of the Bonds, and further, will assume compliance by the Town with the covenants and procedures set forth in such Tax Regulatory Agreement. A copy of the opinion will be printed upon each of the Bonds, and a signed opinion and transcript of proceedings will be filed with U.S. Bank National Association, Hartford, Connecticut, and will be available for examination upon request.

Obligation to Deliver Issue Price Certificate

Pursuant to the Code and applicable Treasury Regulations, the Town must establish the “issue price” of the Bonds. In order to assist the Town, the winning bidder is obligated to deliver to the Town a certificate (an “Issue Price Certificate”) and such additional information satisfactory to Bond Counsel described below, prior to the delivery of the Bonds. The Town will rely on the Issue Price Certificate and such additional information in determining the issue price of the Bonds. The form of Issue Price Certificate is available by contacting Matthew A. Spoerndle, Senior Managing Director, Phoenix Advisors, LLC, Email: mspoerndle@muniadvisors.com, Telephone: (203) 878-4945, municipal advisor to the Town (the “Municipal Advisor”).

By submitting a bid, each bidder is certifying that (i) it is an underwriter of municipal bonds which has an established industry reputation for underwriting new issuances of municipal bonds, (ii) its bid is a firm offer to purchase the Bonds, (iii) its bid is a good faith offer which the bidder believes reflects current market conditions, and (iv) its bid is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale rule relating to the establishment of the issue price of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Rule”).

The Municipal Advisor will advise the winning bidder if the Competitive Sale Rule was met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Rule is not satisfied.**

Competitive Sale Rule Met. If the Municipal Advisor advises the winning bidder that the Competitive Sale Rule has been met, the winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial offering price to the public of each maturity of the Bonds as of the Sale Date.

Competitive Sale Rule Not Met. By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Rule is not met, it will satisfy either the **10% Sale Rule** or the **Hold the Offering Price Rule** described below with respect to each maturity of the Bonds prior to the delivery date of the Bonds. The rule selected with respect to each maturity of the Bonds shall be set forth on an Issue Price Rule Selection Certificate, the form of which is attached hereto, which shall be sent to the winning bidder promptly after the award of the Bonds. The winning bidder shall complete and execute the Issue Price Rule Selection Certificate and email it to Bond Counsel and the Municipal Advisor by 5:00 P.M. on the day after the Sale Date. **If the Issue Price Rule Selection Certificate is not returned by this deadline, or if no selection is made with respect to a maturity, the winning bidder agrees that the Hold the Offering Price Rule shall apply to such maturities.**

10% Sale Rule. To satisfy the 10% Sale Rule for any maturity of the Bonds, the winning bidder:

(i) will make a bona fide offering to the public of all of the Bonds at the initial offering prices and provide the Town with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will report to the Town information regarding the actual prices at which at least 10 percent (10%) of the Bonds of each maturity have been sold to the public;

(iii) will provide the Town with reasonable supporting documentation or certifications of such sale prices, the form of which is acceptable to Bond Counsel. If the 10% Sale Rule is used with respect to a maturity of the Bonds, this reporting requirement will continue, beyond the closing date of the Bonds, if necessary, until such date that at least 10 percent (10%) of such maturity of the Bonds has been sold to the public; and

(iv) has or will include in any agreement among underwriters, selling group agreement or third party distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Hold the Offering Price Rule. To satisfy the Hold the Offering Price Rule for any maturity of the Bonds, the winning bidder:

(i) will make a bona fide offering to the public of all of the Bonds at the initial offering prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel;

(ii) will neither offer nor sell to any person any Bonds of such maturity at a price that is higher than the initial offering price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten percent (10%) of the Bonds of such maturity at a price that is no higher than the initial offering price of such maturity or (ii) the close of business on the fifth (5th) business day after the Sale Date of the Bonds; and

(iii) has or will include within any agreement among underwriters, selling group agreement or third party distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

For purposes of the 10% Sale Rule or the Hold the Offering Price Rule, a “maturity” refers to Bonds that have the same interest rate, credit and payment terms.

If the winning bidder has purchased any maturity of the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Rule was met, the Issue Price Certificate will recite such facts and identify the price or prices at which such maturity of the Bonds was purchased.

For purposes of this Notice of Sale, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a third party distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

Settlement of the Bonds

The Bonds will be available for delivery on or about May 6, 2019. The deposit of the Bonds with DTC or its custodian under a book-entry system requires the assignment of CUSIP numbers prior to delivery. The Municipal Advisor shall obtain CUSIP numbers for the Bonds prior to delivery, and the

Town will not be responsible for any delay occasioned by the failure of the winning bidder to obtain such numbers and to supply them to the Town in a timely manner. The Town assumes no responsibility for any CUSIP Service Bureau charge or other charge that may be imposed for the assignment of such numbers, which charges shall be the responsibility of and shall be paid for by the winning bidder.

The Preliminary Official Statement is in a form “deemed final” by the Town for purposes of SEC Rule 15c2-12(b)(1). The winning bidder will be furnished 25 copies of the final Official Statement prepared for the Bonds at the Town’s expense. Additional copies may be obtained by the winning bidder at its own expense by arrangement with the printer. The copies of the final Official Statement will be made available to the winning bidder no later than seven business days after the bid opening at the office of the Town’s Municipal Advisor. If the Municipal Advisor is provided with the necessary information from the winning bidder by 12:00 p.m. (noon) on the day after the bid opening, the copies of the final Official Statement will include an additional cover page and other pages, if necessary, indicating the interest rates, ratings, yields or reoffering prices, the name of the managing underwriter, and the name of the insurer, if any, of the Bonds.

Continuing Disclosure

The Town will undertake in a Continuing Disclosure Agreement entered into in accordance with the requirements of Rule 15c2-12(b)(5), promulgated by the Securities and Exchange Commission, to provide (i) certain annual financial information and operating data, including audited financial statements; (ii) notice of the occurrence of certain events within 10 business days of the occurrence of such events with respect to the Bonds; and (iii) timely notice of its failure to provide such annual financial information. The winning bidder’s obligation to purchase the Bonds shall be conditioned upon its receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreement for the Bonds.

Related Information
