Ms. Vanderslice requested a motion be made to adjust the agenda to move Item 3 on the agenda (Trackside) to Item 1. Motion moved by Ms. Bufano, seconded by Mr. Clune and unanimously carried.

## B. Discussion and/or Actions

### 1. Trackside

Mark Ketley reviewed the various activities and programs that occur at Trackside. He noted that Trackside is used for a wide range of activities by organizations and citizens of Wilton. Documents are attached regarding usage and financials as well as letters from individuals stating the need for such a facility in Wilton. Mr. Dubow suggested taking a look at a policy to establish a capital fund where you arbitrarily take a percentage of rental revenues and put it into a capital fund. Ms. Vanderslice noted that with cuts expected from the state, she would like to challenge the Trackside Board over the next six months before coming back with budget to try and develop a plan on how to reduce the amount of money that Trackside is looking for from the Town.

### 2. Main Street Grant – Schencks Island

Ms. Vanderslice reviewed the request from Bob Nerney of Planning and Zoning to pursue an application for a Main Street Grant with regard to improvements at Schencks Island. Memo is attached from Mr. Nerney. The deadline for application for the grant is the end of May. Motion made by Mr. Clune to allow Bob Nerney of Planning and Zoning to move forward with the application for the Main Street Grant for improvements at Schencks Island and allow the First Selectman to sign the application. Motion seconded by Ms. Bufano and unanimously carried.

### 3. Financial Report - CFO

- April Report – CFO Anne Kelly-Lenz reviewed the attached financial report with the Board of Selectmen.
- Miller Driscoll Building Project – Ms. Kelly-Lenz reviewed the attached Miller Driscoll Report. Ms. Vanderslice noted that once a month the report will be forwarded to the Board of Selectmen and once a quarter the Board will have a report from the Chair of the Building Committee.
- Board of Assessment Appeal Results – Ms. Kelly-Lenz reviewed the attached results from the Board of Assessment Appeal hearings.
- Moody's Rating/Bond Sale – Analyst from Moody's were well acquainted with the Town and what we did. Analyst pointed out that our OPEB funding is at 54% which is one of the highest in the state. Bond Sale - Robert Baird Company was chosen as the winning bidder. They submitted the lowest rate of 2.165%. Closing on bond documents to take place this week.

### 4. Legal Review Committee - RFP

Mr. Clune noted that he incorporated the changes suggested from the previous Board of Selectmen meeting. Non discrimination language, model certification for respondents to say they are in compliance with federal, state or town non discriminatory laws and regulations and questions around insurance. Added more around the idea of scope of work the town is

seeking. Ms. Vanderslice posed the question of listing the various types of counsel the Town requires. Mr. Dubow asked to review the Audit RFP's which were referenced. Voting on the RFP will take place at the next Board of Selectmen's meeting.

5. Legislative Update

Ms. Vanderslice noted we received an unbudgeted cut to the Education Cost Sharing Grant of \$540,000 which was partially offset by the awarding of an unbudgeted sales tax revenue sharing grant. The net shortfall in the FY 2017 budget for all municipal aid is \$165,000. Municipal aid compared to FY16 is a decrease of \$415,000. Good news is that in the bonding bill there is language that we are exempt from excess space reduction so Miller Driscoll reimbursement goes back up to 22%. Bill should be approved as is.

6. Appointments/Reappointments

Ms. Vanderslice noted that we have several unaffiliated citizens interested in the vacancies becoming available for the Economic Commission. They have been notified of the process to put themselves up for consideration. Mr. Clune suggested setting up a form to be used by candidates to obtain the signatures required. Ms. Vanderslice noted two people up for reappointment to the Economic Development Commission (Jennie Wong and Gil Bray). Motion made by Mr. Dubow to reappoint Jennie Wong and Gil Bray to the Economic Development Commission. Motion seconded by Mr. Clune and unanimously carried.

7. Miscellaneous Other Business

Annual Town Meeting Vote – Ms. Vanderslice thanked Scott Lawrence for acting as Moderator. Noted she received a number of positive comments about how he conducted the meeting. She also thanked the Registrars and the Poll workers for their contributions during the vote. Noted that Tina Gardner will not be running for Republican Registrar in the next election. Discussed adding an additional check in table for the next Annual Town Meeting. Mr. Dubow suggested the meeting start earlier and be consistent year to year as the to the meeting venue.

## MEMORANDUM

TO: Lynne Vanderslice, First Selectman  
FROM: Bob Nerney, Director of Planning and Land Use Management *DRN*  
RE: 2016 Main Street Investment Fund – State of Connecticut Grant  
DATE: May 16, 2016

In spite of the State's ongoing budgetary problems; the Connecticut Department of Housing is currently soliciting applications for qualified projects under its Main Street Investment Fund program. This program provides funding opportunities of up to \$500,000 for downtown projects deemed capable of stimulating economic development.

If amenable, the Board of Selectmen, may want to consider pursuing funding for improvements to Schenck's Island. Talk of a possible outdoor stage and lawn area has been discussed in the past with an eye toward augmenting seasonal cultural opportunities in the village center. Such venue could host summer evening concerts, theatrical and children productions, art and dance shows, movie night and so forth. Coincidentally, the idea follows an open forum at the library last week where many residents, ranging from young to senior, expressed regret over the lack of cultural opportunities in Wilton.

Note, design costs are not covered by the grant and the Town is generally expected to assume some of the project cost. However, in the past, the Town has greatly minimized cost through the use of in-kind labor and construction equipment.

The program is competitive with no guarantee of approval. However, Wilton has been quite successful in the past in securing project funding as evident by the sidewalk enhancement project and the train station pedestrian bridge project. Applications are due at the end of this month.
