# **Sustainable CT Update for 6/18 WEC Meeting**

## **Kevin Gardiner**

"Kevin Gardiner and Debra Thompson-Van of Wilton Go Green met with the WestCOG fellows last Thursday (6/13). We only received 40 of the first 100 points that we submitted, but we have clear direction on what we need to do to get the remaining 60 points when we resubmit on or before the August 30 deadline.

Upon review with the WestCOG Fellows, we realize that the submissions require more detail than we anticipated. The Fellows recommended that we submit 250 points to ensure we hit the 200 point requirement. They will be able to help us assess our submissions before we make them, but we will likely need assistance from some of the other town boards/commissions to gather information/review before we submit.

1) Debra and I are working with Lynne Vanderslice to obtain assistance on some of our Sustainable CT submissions.

2) I have a note out to Eileen to confirm whether she is still interested and able to assist us with applying the Equity Tool Kit to one category. We have been offered up to 4 hours with a Sustainable CT Equity Coach to guide us with achievement on this category. Our two WestCOG fellows can also join the Equity Coach Session(s) via phone or in person."
