Press Release

Belden Hill Road Paving

The Town of Wilton will begin milling and paving work on Belden Hill Road (between Ridgefield Road/Route 33 and Wolfpit Road) starting on Monday April 10, 2023, weather permitting. Work hours will be from 7:30 a.m. to 5:00 p.m.

The Town plans on working the full week through Friday, April 14th while Wilton Public Schools are on spring vacation. We anticipate completing approximately 75% of the road during this week with the remainder to be completed over the summer months.

For the safety of vehicles and construction workers, the road will be closed during this time. The roadway will be open for vehicles traveling to their homes on Belden Hill Road and to adjacent streets. Roadway will also be open for emergency vehicles.

Traffic control will be in place to assist vehicles. Please follow their direction and follow the detour signs or seek alternate routes.

Road surface may have raised structures until it is paved. Please travel with caution.

If you have any questions, please call Wilton Department of Public Works at 203-563-0152 or email thomas.reese@wiltonct.org.
