TOWN HALL ANNEX  
238 Danbury Road  
Wilton, Connecticut 06897

## **For Immediate Release**

**April 5, 2023**

## **Press Release**

### **Lovers Lane Bridge Reconstruction Project Status**

The Town of Wilton will begin reconstruction of Lovers Lane Bridge starting in April.

The project will consist of:

- Relocating existing overhead utilities.
- Installing a temporary bridge to allow 1 lane of alternating traffic throughout the project duration.
- Installing temporary traffic lights at both ends of the temporary bridge.
- Removing existing bridge and installing a new bridge.
- Dayton Construction Company will be the project contractor.
- It is anticipated that the project will be completed in the summer of 2024.

We encourage residents to allow extra time to travel through the work area on Lovers Lane to access Merwin Meadows Park. We also encourage residents interested in using the trail system to utilize the new pedestrian bridge to access the trail - residents can park at the [Wilton Train Station parking lot](#) on Station Road.

All school bus stops on Lovers Lane will remain at their current locations.

If you have any questions, please call Wilton Department of Public Works at 203-563-0152 or email [frank.smeriglio@wiltonct.org](mailto:frank.smeriglio@wiltonct.org).
