Letters to Santa

Wilton's Police Department, Department of Social Services and Santa have teamed up this holiday season and transformed the former Absentee Ballot box into a local Santa's Mailbox. Starting today through December 23rd, Wilton children can deposit letters to Santa into the box – located in front of the Wilton Police Department at 238 Danbury Road – and a few lucky children may receive a personal response from "Santa"! Please make sure letters include a return address. All names and addresses will be kept confidential.

Stephanie Rowe, Social Services Coordinator, is also looking for Santa helpers to assist with this fun project. If interested in volunteering, Ms. Rowe can be reached at (203) 834-6240 or stephanie.rowe@wiltonct.org.

Pictured below are Sarah Heath, Wilton Social Services Director and Sergeant Anthony Cocco of the Wilton Police Department, getting the ballot box ready for its new role as Santa's Mailbox.
