### **TOWN ANNOUNCES NEW WAITLIST FOR AGES 65 AND UP SEEKING FIRST DOSE OF COVID-19 VACCINE**

If you are a Wilton resident who is aged 65 years and up and require a first dose COVID-19 vaccine, you may request to be added to a Town of Wilton waitlist for Wilton Health Department/Visiting Nurse (VNA) COVID-19 vaccine clinics by visiting the [Town of Wilton website](#). This is not a guarantee that you will receive an appointment at any future Wilton Health Department/VNA clinic. Town of Wilton personnel will contact you if there is appointment availability.

Placement on the website does not guarantee that you will receive an appointment at any future Wilton Health Department/VNA clinic. Eligible residents are encouraged to register through local vaccine providers such as Stamford Health, Yale New Haven Health, and Hartford Health or through the Vaccine Administration Management System (VAMS) online system. Local pharmacies such as CVS, Walgreens and Walmart will be offering vaccines at locations across the State. Appointments may not be immediately available. Statewide, clinics are added daily so residents are advised to check for updates frequently. For more information, visit the Town of Wilton's [Coronavirus Resources webpage](#). Residents can also visit the [State of CT website](#) to perform a zip code or map search of vaccine providers.

Residents aged 65 and up became eligible for the COVID-19 vaccine on February 11<sup>th</sup>. The group totals over 300,000 statewide.
