Wilton High School Track, Fujitani Turf Field, and Bleachers to Close Temporarily

The track, Fujitani turf field and bleachers at Wilton High School Veterans Memorial Stadium will be closed for all uses beginning on Monday, June 21st and are expected to reopen around mid-July. The closure is due to the installation of a new track surface. Any use of these facilities could damage the new track surface and extend the time the facility will be closed.

For more information on the track replacement project, please visit the [Town of Wilton website](https://www.townofwiltonct.org/). Questions may be directed to Steve Pierce at steve.pierce@wiltonct.org or (203) 834-6234, x 6.

Thank you for your cooperation.
