Wilton Social Services and Wilton Women's Club host drive thru Senior Appreciation Day

Wilton Senior Center and Wilton Women's Club hosted a drive thru Senior Appreciation Day event at Comstock Community Center on Wednesday, October 21st. Stephanie Rowe, Senior Center coordinator, and Wilton Women's Club volunteers gave away 120 meals by Village Market along with delicious autumn goodie bags prepared by Wilton Women's Club.

Wilton Senior Center will be partnering with other Town organizations including Wilton Police Department, Wilton Fire Department, and Wilton Parks and Recreation to offer drive thru lunches on a monthly basis this fall and winter. Organizations interested in partnering should contact Stephanie Rowe at stephanie.rowe@wiltonct.org or (203) 834-6240.

Wilton Senior Center provides Wilton's older citizens with stimulating and creative opportunities for their social, physical, emotional, and intellectual enrichment. While the Senior Center's physical location at Comstock is closed due to the COVID pandemic, it is offering outdoor programming at Comstock and online Zoom presentations.
