RE: Inland Wetlands Commission Application (WET#2904) - Continuance Request
Project Site: 131 Danbury Road
Contract Purchaser: 131 Danbury Wilton Dev AMS LLC
(an affiliate of AMS Acquisitions, LLC)

Dear Mr. Conklin,

The public hearing for the above listed Inland Wetland Commission application for 131 Danbury Road is currently scheduled for the January 11, 2024 meeting. Revised materials are being submitted today (January 10, 2024) in response to the comments received from Cardinal Engineering and Wilton Public Works Department. In order to provide adequate time for the Commission and Cardinal Engineering to review the resubmitted materials, we are requesting the public hearing be continued to the January 25, 2024 meeting.

The application was submitted on October 23, 2023 and accepted at the October 26, 2023 meeting. The public hearing was opened on December 14, 2023 with the initial 35-day statutory window to close the hearing ending on January 18, 2024. In order to enable the public hearing to be continued to the January 25, 2024 meeting, the applicant grants a 7-day extension, leaving 58 days remaining of available extensions that can be granted.

Thank you for your assistance.

Sincerely,

Craig J. Flaherty
