Dear Director Conklin:

As you know, our firm represents Wilton – 64 Danbury Road Owner LLC and Fuller Development, LLC (collectively, the “Applicants”) in the above-referenced application (the “Application”). The public hearing for the Application was opened at the meeting of the Inland Wetlands Commission of the Town of Wilton (the “Commission”) on February 22, 2024, and held open via continuances and extensions to the Commission’s meeting on April 25, 2024. At said meeting, the Applicants requested the public hearing on the Application be further continued to the Commission’s next regularly scheduled hybrid meeting on May 9, 2024, beginning at 7:30 p.m.,<sup>1</sup> and granted another extension to accommodate this request. This letter serves to memorialize the aforementioned.

The Applicants hereby grant the Commission a third extension of fourteen (14) days<sup>2</sup> to continue the public hearing on the Application to the May 9, 2024 meeting of the Commission. To date, the Applicants have granted a total of forty-two (42) days of extension. We note that pursuant to General Statutes §§ 22a-32 and 8-7d(a), the Applicants may only grant extensions totaling a period of sixty-five (65) days, leaving the Applicants with twenty-three (23) additional days of extensions to grant.

<sup>1</sup> Pursuant to Sections 163-167 of Senate Bill 1202, hybrid meetings allow for members of the public to participate in person at the designated room in the Comstock Community Center, located at 180 School Road in Wilton, CT, or join the Zoom meeting via the link published on the Commission’s meeting agenda.

<sup>2</sup> The first extension of fourteen (14) days was granted by way of my letter dated March 19, 2024, permitting the Commission to continue the public hearing from March 28, 2024, to April 11, 2024. Similarly, the second extension was granted by way of my letter dated April 4, 2024, continuing the public hearing to April 25, 2024.

As always, please contact me should you have any questions or require additional information.

Sincerely,

Lisa L. Feinberg
