WET#2654, 220 Nod Hill Road (Map#78 Lot#11-4)**

Dear Mr. & Mrs. Behrens,

On July 22, 2021, the Inland Wetlands Commission granted an approval for your Corrective Action Application, known as WET#2654.

I am writing to request you agree to complete the restoration planting plan by October 31, 2021. Although this date was not specified when the permit was granted, completing the plantings by October 31, 2021 will prevent the Commission from having to pursue further enforcement actions.

Please return this signed document to me as soon as possible.

If you have any additional questions, please do not hesitate to call at 203-563-0180.

Sincerely,

Michael Conklin
Director, Environmental Affairs
