Dear Commissioners – Please see the email below. Mr. & Mrs. Behrens have retained attorney Bob Maslan to represent him on his corrective action permit application. Attorney Maslan has requested the public hearing be continued until January 14, 2020 so he and Kate Throckmorton can further develop the proposed restoration plans. They will be using 5 of their extension days but I do not foresee this to cause a problem with the overall application process.

Subject: 220 Nod Hill

Dear Mr. Conklin:

Thank you for speaking with me this afternoon. As I mentioned, I am representing Mr. and Ms. Behrens in their pending application.

Kate Throckmorton and I are working on a revised plan to address the work that was done on the Behrens property and the Second Taxing District property. We hope to address the concerns of the Second Taxing District, and to present a plan that addresses all of the work that was done. However, the revised plan will not be completed in time to present it during the public hearing this Thursday, and we ask that the hearing be continued to the January meeting date.

Please convey this request to the Commission.

Thank you.
