Hermann – I have reviewed the documents in the file which can be found on the Town's website. The Cease & Desist remains in place on your property and no site work should be conducted unless the Inland Wetland Commission modifies the Cease & Desist order to allow the work.

Hello Mike,

Further to my earlier email, I have not heard back from you so I assume it's ok for me to proceed. If this is not the case please can you confirm by 3 pm this afternoon as I have a team lined up to support me with the work tomorrow?

Thanks for your help,

Regards,
Hermann Behrens

Hello Mike,

Hope the team is well. With the growing season upon us, I would like to topsoil and overseed the front lawn on the garage side of my property, i.e., the opposite side of the house to the restricted land and pond. Please confirm that I can go ahead and perform this work.

Thanks,
Hermann Behrens
