Subject: RE: 232 Silver Spring Road - site plan review letter
Date: Thursday, March 28, 2024 9:40:20 AM

Thank you. I have reviewed the drainage report, and believe that it addresses the comments regarding the report from the latest review letter dated March 27, 2024. At this time the department of public works has no objections with the project continuing with the approval process.

Thanks,

Steve Santacroce, PE
