MEMORANDUM

TO: Inland Wetlands Commission

FROM: Conservation Commission

DATE: June 7, 2021

**WET#2706(S) SMITH – 230 Ridgefield Road
“Corrective Action” to address clearing, trail work, and removal of dam**

In response to your referral, the Conservation Commission has reviewed the above referenced application. The Commission offers the following comments:

- The Conservation Commission had general concerns that the land has been compromised and should be restored
- The Conservation Commission suggested the number of shrubs and trees be increased on the planting plan, as well as a formal plan for removal of invasives
