RE: 131 Danbury Road, Wilton CT – 131 Danbury Wilton Dev AMS, LLC

The Department of Public Works received materials on February 16, 2024, which included a response letter dated February 14, 2024, an engineering report and plans revised to February 13, 2024 for the proposed development on 131 Danbury Road. The department will need additional time to review the response letter; our review will not be completed by tonight's Inland Wetlands meeting.
