I just visited 71 PO Rd., and SNEW does not have any comment on the tree removals. I will visit the others tomorrow (leaving early today).

Hi Casey,

I have just received 4 new Minor Applications for permits within your watershed. If you have time, please confirm if you are okay with each one after you review I would appreciate it.

The addresses are:

71 Pin Oak Lane – removal of trees for solar project

112 Cheese Spring – remove deck and replace with thermal bluestone patio in stone dust and relocate propane tank

64 Deforest Road – “corrective action” for tree removal

39 Pipers Hill – “after-the-fact” 2 sheds

Thank you!

Liz
