Dear Ms Burns:

This is to inform you that Environmental Land Solutions, LLC has submitted an Application (Significant Activity) to Town of Wilton Inland Wetlands Commission (IWC) for permission to conduct site work on the subject property within or adjacent to regulated wetland areas. Specifically, the property owner is proposing a swimming pool within an upland review area of on site wetland. Notification to you is required by the Town, as the site within the SNEW (public water supply) watershed. All pertinent information is on file at the IWC office located on the Town Hall, Land Use Department, 238 Danbury Road, Wilton. The IWC telephone number is (203) 563-0185. Please feel free to call the IWC or me if you have any questions.
