Dear Mr. Krut,

At the March 9, 2023 meeting of the Inland Wetlands Commission, the Commission made a motion to lift the Cease and Desist Order after considering the testimony from you and from staff on the work that was completed on your property. This motion to release the Order carried 5-0-0.

The commission requires you to install your approved mitigation plantings once you have worked with Staff to identify types, sizes and locations of the proposed plantings.

The Legal Notice of this action is attached.

If you have any questions please do not hesitate to contact Mike Conklin, the Director of Environmental Affairs, or the commission directly. Thank you for your cooperation.

Sincerely,
