Dear Chair Lee and Members of the Inland Wetlands Commission:

I write, on behalf of the Town of Lewisboro's Planning Board, with regard to the proposed construction of a kitchen addition and deck at the Elia Residence, 174 Silver Spring Road, Wilton, CT.

The Planning Board received the referral (a copy of Ms. Larkin's letter, dated June 7, 2021, is attached) and discussed the matter at its June 15, 2021 meeting. At that meeting, the Planning Board authorized me, as Chair, to advise the Inland Wetlands Commission that as a result of our review, we have no objections to and no comments on the proposed additions at the Elia Residence, 174 Silver Spring Road, Wilton, CT.

Respectfully submitted,

Janet Andersen, Chair
