RE: CEASE AND DESIST ORDER
269 Millstone Road - Wilton, CT, Map 79, Lot 13

Dear Mr. Lorig

Town Hall staff has recently learned of site work being conducted at 269 Millstone Road, in a regulated area without a permit. Today Town staff observed fill material being deposited within 100 feet of a wetland/watercourse.

It is the conclusion of Commission staff that unauthorized activities have occurred on the property. Therefore, you are in violation of Connecticut General Statutes sections 22a-36 through 22a-45 which requires that a permit be obtained prior to conducting regulated activities affecting inland wetlands and watercourses.

A Cease and Desist Order has been placed on the property at 269 Millstone Road. You are directed to stop all work on the property with the exception of immediately installing silt fencing around the newly deposited soil material in order to avoid further damage to the wetland and watercourse.

A "show cause" hearing shall be held to discuss this matter on Thursday, April 9, 2020 at 7:30pm via public teleconference or remote public meeting via computer. Teleconference or remote meeting login information will be listed in the meeting agenda posted on the Town's website on Wednesday, April 8, 2020 at 4:00pm. If you wish to submit any supporting documentation for your testimony at this hearing, you will need to email it to mike.conklin@wiltonct.org no later than April 7, 2020. During the hearing you will have the right to present testimony to the Commission to help determine if the Order should be withdrawn, modified or remain in effect. The Commission shall render a decision within 10 days

April 3, 2020

of this hearing. Failure to comply with directives resulting from this hearing shall result in court action.

Any further failure to follow the directives of the Commission or its staff, including any additional work, shall result in the issuance of additional citations and fines.

The issuance of this Cease and Desist Order shall not delay or bar an action pursuant to section 22a-44(b) of the General Statutes.

If you have any questions, please contact Michael Conklin, Director of Environmental Affairs at mike.conklin@wiltonct.org. Your prompt cooperation is appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Y. Craig".

Inland Wetlands Commission
