Hi Aleks,

TGIF!!

I am writing to obtain confirmation that you will be presenting Old Driftway Road, LLC for 0 Mountain Road at our meeting on January 25, 2024?

The reason I am asking is the other Public Hearing we are hearing is for 131 Danbury Road and they are not presenting at the January 25<sup>th</sup> Meeting; they are requesting we re-notice the Public Hearing for the February 8<sup>th</sup> Meeting. If you would like for me to add this item to that Legal Notice, I can, at no cost to the Owner. But only if you are NOT presenting next week.

Thank you!

Liz
