MEMORANDUM

TO: Inland Wetlands Commission
FROM: Conservation Commission
DATE: December 14, 2023

WET#2905(S) OLD DRIFTWAY, LLC – 0 Mountain Road (Map#25 Lot#2)
- proposed single-family residence with driveway, in-ground pool, pool house,
stormwater detention and septic system

In response to your referral, the Conservation Commission has reviewed the above referenced application and offers the following comments:

1. The Conservation Commission recommends the applicant revise the planting plan with more understory trees like Shadblow in 7' – 8' size. The planting plan should be layered to improve the proposed woodland edge habitat.
2. The Conservation Commission strongly objects to any direct impacts to the vernal pool.

Thank you for the opportunity to comment.
