**Subject: Cease and Desist Order – 326 Thayer Pond Road, Wilton, CT**

Dear Director Conklin

This letter is to confirm that LANDTECH consulting has been retained by Bryan Phillips, the property owner of 326 Thayer Pond Road, to assist in the development of a “Corrective Action” wetland application to resolve the existing Cease and Desist Order dated May 18<sup>th</sup>, 2021.

LANDTECH is currently working on the base mapping for the property which includes the development of an A-2 survey with 2-foot topographic contour lines and the field mapping limits of the inland wetlands. LANDTECH is hoping to have the extent of the base mapping and surveying completed within 3 to 4 weeks. Once we have the survey completed, we would like to schedule a field meeting with a representative of your office to discuss next steps to resolve this order in a timely matter.

If you have questions or need to discuss any issues regarding this pending matter, please call me directly at 203-454-2110 X 320 or at [bcarey@landtechconsult.com](mailto:bcarey@landtechconsult.com)

Very truly yours  
**LANDTECH**

Brian Carey

Director of Environmental Services
