Re: 326 Thayer Pond Road, Wilton, CT

Dear Sir/Madam;

This letter is to inform you that Bryan Phillips has filed an application for a "corrective action" to address unauthorized clearing, filling and grading in a regulated area in the Town of Wilton at the above referenced property.

According to the Town's regulations we are required to notify the adjoining town when an applicant's property lies within 500' of an adjoining Town boundary. This letter is to serve as that notification. The application is on file at the Wilton Town Hall and on our website for review and comment.

Sincerely,

Mike Conklin/Ed.

Mike Conklin
Director, Environmental Affairs
