Mike,
In addition,
Please note Chris Smith has relayed that hay has been applied to the exposed trail areas.

Mike,
As I mentioned on the phone last week, I am requesting a further extension for the submission deadline for this application.

Due to the back log of work from wetlands scientist and surveyors we have not been able to obtain all the information you have requested.

However, please note the surveyor is scheduled to begin rehangng the wetlands flags at the beginning of next week, at this junction we expect a complete application to be ready for the following deadline of April 21.

Thank you,
