Mike:

I wanted to provide you with an update as to the status of this matter. Unfortunately, I will not be able to provide the Inland Wetlands Commission with an in-person update tonight due to my own obligations as a member of a municipal board in Norwalk.

We were notified yesterday afternoon that our forestry expert is willing to review the matter and would like a site visit within the next few weeks. I will be working with Casey Cordes and, if necessary, the Behrens' attorneys to accomplish the visit.

Please do not hesitate to contact my office if you have any additional questions.

Very truly yours,  
Kara A.T. Murphy, Esq.
