Message:

Dear Mr, Wrinn,

We are the owners of 23 Hubbard Road and are very concerned with the “fast and loose” use of misinformation regarding the easement for parking spaces to the building across the street.

I am writing to confirm the presence of the easement but to note that 12 Godfrey Place has no right to any specific space.

We alone as the building owners have sole discretion to determine who parks where on our property.

We will be making the spaces most convenient to our tenants available to our tenants without regard to the convenience of others.

Sincerely,

Bruce Likly
