A photograph of the exterior of a red brick building. A white rectangular sign at the top center reads "Building 2". Below it, on the brick wall, is a shield-shaped plaque for "WILTON JEWELERS". The plaque includes a decorative flourish and lists hours: "HOURS 10:30 - 5:30 SATURDAY 10:30 - 4:30 203-219-7026". Two black lantern-style light fixtures are mounted on the wall, one on each side of the plaque. To the right is a dark wooden door with a glass insert showing a reflection. A metal handrail runs along the base of the wall. The ground is a light-colored gravel or concrete surface.
