Re: ASML US, LLC – Application for Alternative Signage Program (SDP#5-23)

Dear Mr. Chairman and Members of the Commission:

As attorney for ASML US, LLC, I submit the following replacement pages to the original submission material.

1. Electronic Parking Garage Guidance Signage Plan (C-801) prepared by Tighe & Bond, Inc. (“T&B”) dated June 8, 2023 and last revised June 12, 2023.
2. Electronic Parking Guidance Signage Plan Enlargement (C-802) prepared by T&B dated June 8, 2023 and last revised June 12, 2023.

C-801 and C-802 have been updated to integrate changes to the signs proposed by the Architectural Review Board during its June 1, 2023 meeting. Please note that the changes are to the Matrix sign to shorten the vertical supports and to the Monument sign to have it mirror the Matrix sign with the vertical supports moved to the exterior of the sign face and converting the color of the supports to black.

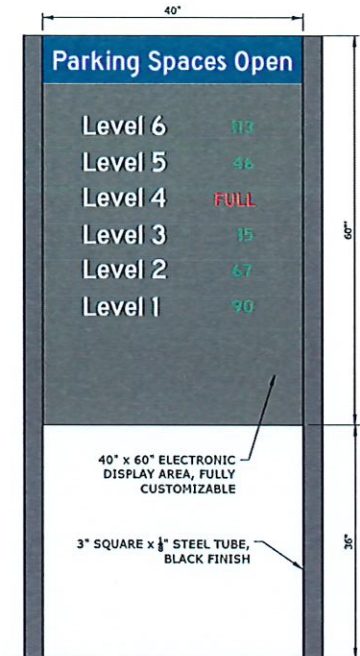

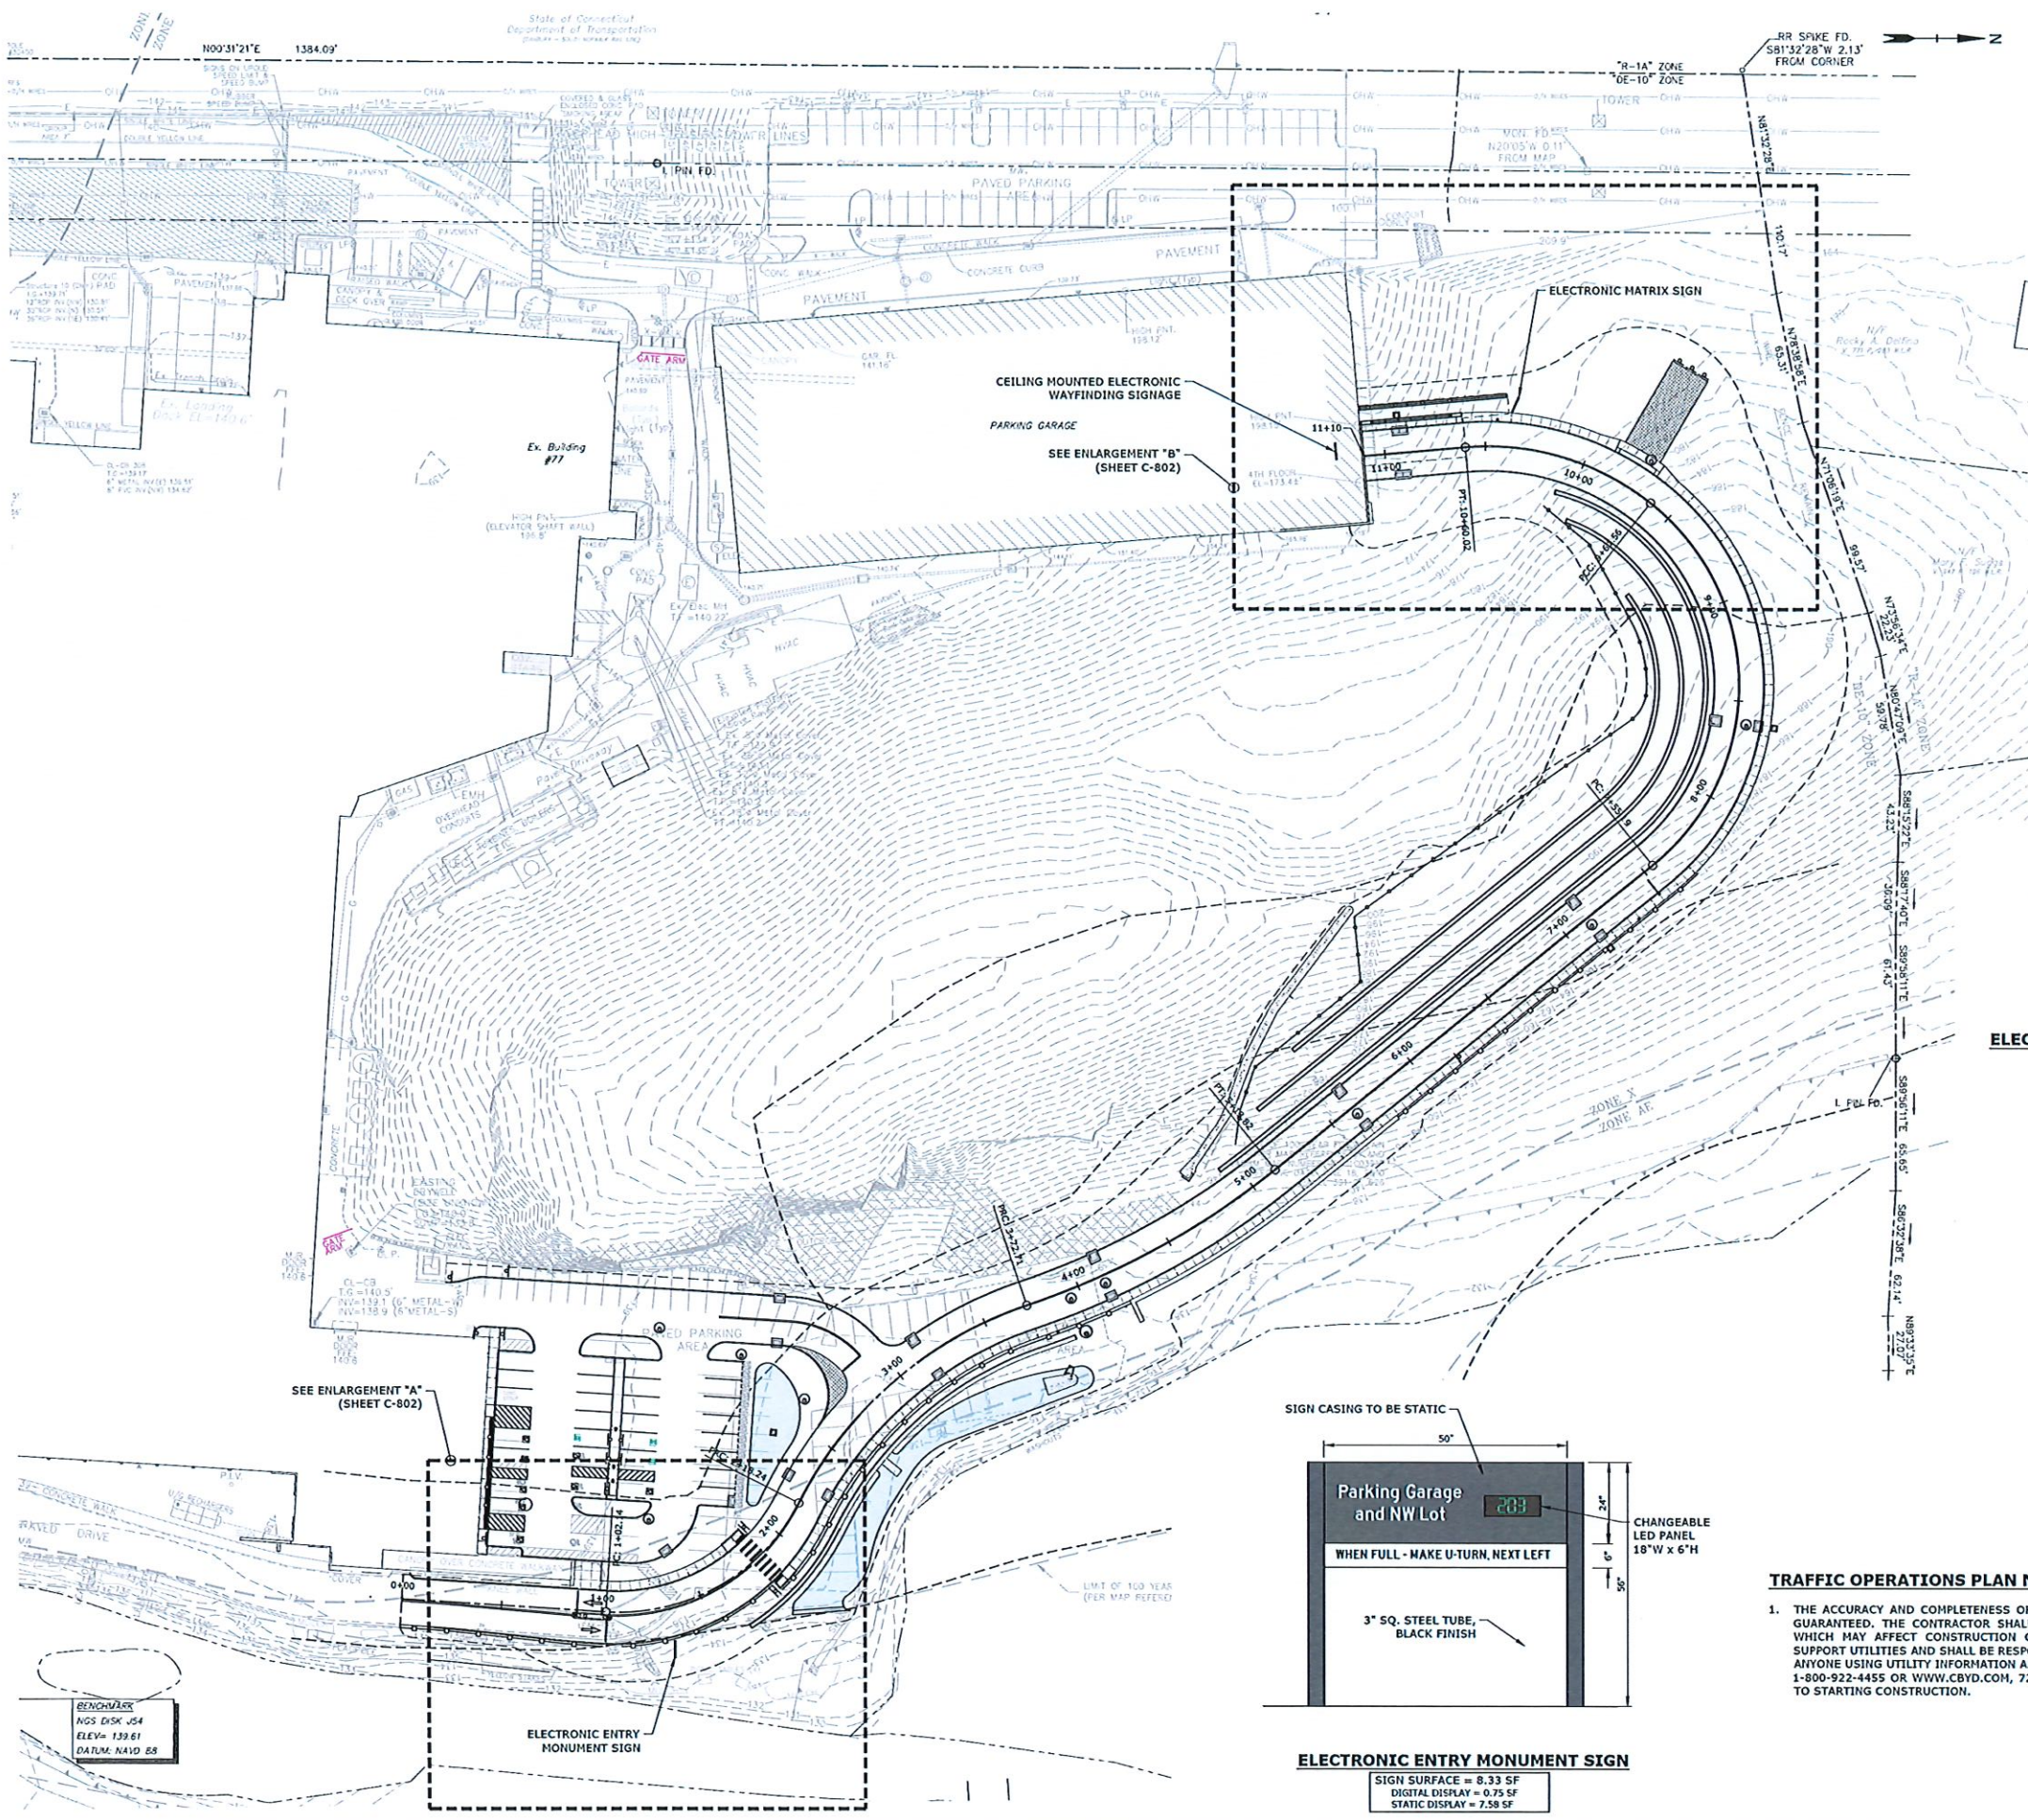

I look forward to presenting this application during the June 26th meeting.

Respectfully submitted,
Gregory and Adams, P.C.
