**RE: 8-24 Referral - Proposal to Lease Town Owned Property for Wireless Telecommunications Facility (monopole)**

---

Pursuant to the Section 8-24 of Connecticut General Statutes (CGS), the Board of Selectman hereby requests your input concerning a potential lease of Town property to allow a cellular telecommunications facility (monopole) to be built on School Road, at the current school bus depot facility.

Under the CGS, any lease of town owned property requires the Commission to provide comments; verification that it complies with the current Plan of Conservation and Development would be most helpful.

On behalf of the Board of Selectmen, we appreciate your time and consideration of this matter.

Please contact me with any questions.
