To whom it may concern;

I Anthony Taveras am working on gathering a group of professionals to have the proper plans for a package store at 991 Danbury RD Wilton CT. I would like to request permission to move my application to the December 14 2020 meeting. Surveyors and architects are a bit behind due to high demand on real estate in CT at the moment. I will make sure to get everything I need to have a proper presentation on December 14 thank you.

Anthony Taveras.
