Wilton, CT 06897

Dear Mr. Wrinn,

Please accept this written correspondence in support of Connecticut Humane Society's application to build a new facility at 863-875 Danbury Road. During my time in office, I have had the pleasure to tour this prospective property with the team from CHS, as well as their existing Westport facility. I firmly believe this organization would be a benefit to the Wilton community.

CHS provides a crucial safety net for families who are facing hard times, as so many are during this pandemic. Their pet food pantry and reduced-fee veterinary clinic are vital resources to those who are struggling to make ends meet, helping to take a burden off their shoulders. Bringing CHS' successful model to Wilton will allow more families to stay whole, and that is something I believe this community will cherish.

I am grateful for the work that you do and hope that your team will find a way to support our neighbors, bring jobs to the community, and help a lot of pets too. As you review this application, I wanted to chime in and voice my support.

Thank you for in advance for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Will Haskell".

Will Haskell
State Senator, 26th District
