Subject: 141 Danbury rd - FDSPIN 141 DR LLC

Daphne and Mike,
I reviewed the documents submitted by Carmody, Torrance, Sandak, Hennessey, LLP to Planning and Zoning on October 21, 2021. The documents pertaining to DPW were sent in response to DPW's 9/17/2021 letter and traffic comments prepared by NV5's dated 9/29/2021.

Based on the review at this time, the majority of items in our letters are on-going and pending. The Sanitary metering was installed during the week of October 17th, 2021 and will be in place for a month. Also, my review of traffic/state ROW items is pending the State DOT review and approval.

Therefore, additional review will follow the submission of WPCA related items and review by the State DOT for State Right of Way items.

Thanks,
Frank
