Re: Peer Review of Project Plans and Traffic Reports Associated with a Proposed Multi-family Development at 141 Danbury Road

Dear Mr. Wrinn:

NV5 – Connecticut, LLC (NV5) was tasked with providing peer review services related to traffic and pedestrian circulation and operations for the 141 Danbury Road Multi-Family Residential Development in Wilton. A peer review and comment memo was prepared by NV5 and delivered to the Town of Wilton on September 29, 2021.

Based on NV5's review of the Response to Peer Review Comments memo prepared by Tighe & Bond, dated October 15, 2021, all peer review comments have been sufficiently addressed, and NV5 has no further comments.

Please feel free to contact NV5's Senior Transportation Engineer, Justin Iwinski, PE, PTOE at Justin.iwinski@nv5.com if you require any additional information or have any questions.

Very truly yours,
NV5 – Connecticut, LLC
