**Address: 141 Danbury Road, Wilton, Connecticut**  
**Applicant: FDSPIN 141 DR LLC**

Dear Mr. Wrinn:

I am writing on behalf of my client, FDSPIN 141 DR LLC (the “**Applicant**”), granting a continuance of the Public Hearing regarding the above-referenced applications (the “**Applications**”) to November 8, 2021. Because a public hearing before the Planning & Zoning Commission must typically be completed within 35 days of commencement,<sup>1</sup> the Applicant is writing to you to provide written consent to a 13-day extension to complete the public hearing regarding the Applications.<sup>2</sup>

Thank you for your time and attention regarding this matter.

Sincerely,

*Lisa Feinberg*

<sup>1</sup> See Section 8-7d of the Connecticut General Statutes.

<sup>2</sup> Only 12-days of extension are required to permit the public hearing to continue on November 8, 2021. However, the Applicant grants a 13-day extension in the event the hearing continues into the morning of November 9, 2021.
