Subject: support for P&Z Master Plan

Dear Michael,

As a long time resident of Wilton, I wanted to reach out in support of the Master Plan that will change regulations and unlock development in Wilton Center. From the 1970s when my family moved to Wilton, I have seen positive changes to the town, but some stagnation in recent years since there are many limitations in place that hinder growth. I believe it will benefit our town to have the kind of development outlined in the plan.

Thank you for your consideration.

Best regards,
