Wilton Library Project Proposal

August 2023

Proposed Project: Wilton Library Parking Lot Banners

Our proposal is to create 16 double-sided permanent banners that would hang from existing poles in the Library Parking lot.

Project Specifications:

Number of Banners: 16

Dimensions: 24" x 54"

Location: Library parking lot

Timeframe: Permanent, year-round

Reason for Proposal:

A direct reflection of the Library's branding, the banners would educate by communicating the Library's mission to "inform, enrich, connect and inspire our community" by using these very words on the banners themselves. Additionally, we believe the simple, artful design and vibrancy of the banners would encourage Library visitation and enhance the vitality of Wilton Center. These banners will be similar to the banners put up for our 125th Anniversary in 2020 which were very well received by the town. (See page 5)
