RE: October 2nd Meeting Agenda

The following is information on agenda items in advance of the meeting.

Possible Ordinance for Property Tax Credits for Mobility Vehicles. In your packet is a draft of a proposed ordinance prepared by Attorney Nick Bamonte reflecting discussions at our last meeting. If acceptable, we will vote to hold a public hearing on the ordinance.

Commercial Blight Statute Change. A simple two or three word change to the state statute this past legislative session, now means our current blight ordinance also applies to commercial properties as of October 1st. But we would like to expand the definition of blight in the ordinance to address peeling paint. Nick will provide language for discussion at the meeting.

Possible Establishment of Blight Fund. When the ordinance was adopted many years ago, the Board of Selectmen never established a separate blight fund. We would like to do that now.

Possible Appointment of Kim Healy as BOS WLA Trustee. We had two trustees just recently resign and two had term endings in June. This brings the number of current trustees to 2. Kim who previously served as a BOS trustee has volunteered to serve again.

See you Monday.

Lynne
