Public Information Session-Proposed Verizon Cell Tower at the Bus Barn on School Road

The Town of Wilton is hosting a Public Information Session on the proposed Verizon cell tower on Wednesday, November 2nd in Room 31 at the Comstock Community Center at 7:00 p.m. The proposed tower would be located at the Bus Barn on School Road.

Representatives from Verizon will provide information about the proposal including the need, benefits and results of the recent visibility study, and answer residents' questions.

Residents who are unable to attend in-person, may participate over Zoom with this link.
