A holder of a manufacturer permit for spirits, alone or in combination with any parent or subsidiary business or related or affiliated party, who sells more than ten thousand gallons of spirits in any calendar year may not sell spirits at wholesale to retail permittees within this state. Such permit shall also authorize the offering and tasting, on the premises of the permittee, of free samples of spirits distilled on the premises. Such free samples of spirits distilled on the premises may be offered for consumption in combination with a nonalcoholic beverage. Tastings shall not exceed two ounces per patron per day and shall not be allowed on such premises on Sunday before eleven o'clock a.m. and after eight o'clock p.m. and on any other day before ten o'clock a.m. and after eight o'clock p.m. No tastings shall be offered to or allowed to be consumed by any minor or intoxicated person. A holder of a manufacturer permit for spirits may apply for and shall receive an out-of-state shipper's permit for manufacturing plants and warehouse locations outside the state owned by such manufacturer or a subsidiary corporation thereof, at least eighty-five per cent of the voting stock of which is owned by such manufacturer, to bring into any of its plants or warehouses in the state spirits for reprocessing, repackaging, reshipment or sale either: (A) Within the state to wholesaler permittees not owned or controlled by such manufacturer; or (B) outside the state. The annual fee for a manufacturer permit for spirits shall be one thousand eight hundred fifty dollars.

(2) A holder of a manufacturer permit for spirits issued under this subsection may sell and offer free tastings of spirits manufactured by such permittee at a farmers' market, as defined in [section 22-6r](#), that is operated as a nonprofit enterprise or association, provided such farmers' market invites such holder to sell spirits at such farmers' market and such holder has a farmers' market sales permit issued by the commissioner in accordance with the provisions of [section 30-37o](#).

(b)(1) **A manufacturer permit for beer** shall allow the manufacture of beer and the storage, bottling and wholesale distribution and sale of beer manufactured or bottled on the premises of the permittee to permittees in this state and without the state as may be permitted by law, but no such permit shall be granted unless the place or the plan of the place of manufacture has received the approval of the Department of Consumer Protection. A holder of a manufacturer permit for beer who sells beer brewed on such premises at wholesale to retail permittees within this state shall make such beer available to all holders of a package store permit issued pursuant to [section 30-20](#) and to all holders of a grocery store beer permit held pursuant to said section in the

geographical region in which the holder of the manufacturer permit for beer self distributes, subject to reasonable limitations, as determined by the Department of Consumer Protection. Such permit shall also allow: (A) The retail sale of such beer, and beer brewed in collaboration with at least one other holder of such a permit, to be consumed on the premises with or without the sale of food; (B) the selling at retail from the premises of sealed bottles or other sealed containers of beer brewed on such premises, or in collaboration with at least one other holder of such a permit, for consumption off the premises; and (C) the sale of sealed bottles or other sealed containers of beer brewed on such premises to the holder of a wholesaler permit issued pursuant to [section 30-17](#), provided the holder of such permit produces at least five thousand gallons of beer on the premises annually. The annual fee for a manufacturer permit for beer shall be one thousand four hundred dollars. For the purposes of this subdivision and [section 30-22d](#), “collaboration” means an arrangement, other than contract brewing or an alternating proprietorship, under which the holder of a manufacturer permit for beer issued under this subsection works together with at least one other such permit holder to manufacture beer by, among other things, sharing the beer recipe or at least forty-nine per cent of the ingredients or labor necessary to manufacture such beer.

(2) A holder of a manufacturer permit for beer issued under this subsection may sell and offer free tastings of beer manufactured by such permittee at a farmers' market, as defined in [section 22-6r](#), that is operated as a nonprofit enterprise or association, provided such farmers' market invites such holder to sell beer at such farmers' market and such holder has a farmers' market sales permit issued by the commissioner in accordance with the provisions of [section 30-37o](#).
