Dear Board of Selectmen,

The Wilton Athletic and Recreation Foundation is excited to present an update on our fundraising commitment, need-case and community support efforts for the Allen's Meadow Community Organic-Infill Turf and Seasonal Bubble Project at your meeting on March 21.

To learn about our efforts to fundraise, build support and educate the community on the project, please see our [presentation](#), [FAQ](#) and [petition](#) (all linked in this email, and available at WARF's website, www.warfwarriors.com). We will be presenting a short summary of this information in our update on Tuesday.

Looking forward to our discussion!
