Statement of interest & qualifications:

I am a 14-year resident of Wilton and 25-year Fairfield County resident. I raised three sons in Wilton and am interested in giving back to the community now that they are grown. I have always been intrigued by local government and believe that I can contribute to improve the town.

I am an analytical person by nature focusing on operations and data in my past media roles to guide my decisions. I began working in Real Estate in 2016 and believe my experience here provides the perfect skill set to work on this commission. In 2018 I received my Real Estate Broker's license and have consistently closed 30 transactions each year. This year I will finish at just over \$12 Million in sales and 36 transactions. I am consistently among the top agents at our brokerage of over 500 agents.

Finally, my family is well known in the community given my involvement in coaching youth sports for many years, my wife both working in Miller Driscoll School as a paraprofessional & running the education program at Ambler Farm for many years and my three children being very outgoing and participating in multiple sports and community programs. I believe that having a friendly and familiar face on the commission will be beneficial.

I look forward to hearing from you and hope that my application to participate on the board will be approved. Please do not hesitate to reach out with any questions or to speak further. My contact information is above. Thanks!
