Dear Wilton Conservation Commission,

Attached please find my application for a position on the Wilton Conservation Commission board.

As an avid and passionate user of our town's open spaces, I am very interested in joining the Wilton Conservation Commission. My hope is that I may help contribute to the good work that has been done before me by previous board members, as they have done for my family and me, and that I may be able to do so for future generations — in other words, “to help plant a tree under whose shade I may never sit.”

The mission of the Wilton Conservation Commission, as per their web site, is to organize, maintain, and direct conservation activities for the Town of Wilton for the following purposes of (among other things) to guide the development and conservation of the natural resources within the Town of Wilton.

I firmly believe in the use and protection of our open spaces, and would be honored to serve on a board with others who share this same belief.

I have been involved with many volunteer-based organizations and projects, both in and outside of Wilton, and would be happy to put you in touch with people involved, as references for me joining the Wilton Conservation Commission:

Dave Clune and JR Sherman / Wilton Athletic & Recreation Foundation

Capt. John Lynch and Lt. David Hartman / Race 4 Chase kids triathlon

Jeff and Kristy Snyder / Kennedy's CORD Foundation

Jay and Liz Scott / Alex's Lemonade Stand Foundation

David Campbell and Kevin Kane / Wheels For Kids

As an unaffiliated voter, in lieu of a signed petition (and as to not be a COVID Super Spreader) please be on the lookout for my 25 signatures of support via email.

Thank you very much! I look forward to learning next-steps.

Sincerely,
David Cote
