RE: Bid Award for Replacement of Privacy Fence

Dear Board Members:

The privacy fence that surrounds the highway department equipment lot needs to be replaced. The current stockade fencing is severely deteriorated and, in some places, has collapsed. The Public Works Department has solicited proposals from three suppliers, attached and as shown in the summary below. Based on the pricing proposals obtained, the department is recommending that the project be awarded to the **Riverside Fence Company** in the amount of **\$16,000**.

Thank you for your consideration.
