

RE: Judy Zucker

On behalf of Judy's family and as past presidents of Wilton Kiwanis

Present an opportunity to memorialize the legacy of our longtime friend, quintessential Wiltonian and model of exemplary selfless public service to our community.

As you know one of Judy's passions and examples of undeniable service was to chair the renovation committee of Comstock Community Center.

At 83 years old she oversaw the 10 million, 3 year project which was completed on time and under budget.
