RE: September 8th Meeting

I wanted to share the following regarding agenda items in advance of the meeting:

WestCOG Studies Update: I will be providing an update on the next steps regarding public safety facilities. I thought you might be interested in reading the report from the initial study. It is available on this link: <https://westcog.org/wp-content/uploads/2020/07/Public-Safety-Feasibility-Study-Reccomendations.pdf>

Reappointments: Sarah Scacco is inadvertently left off the list when town reappointments were previously done.

Board of Assessment Appeals Alternate: We previously discussed that Warren would continue to serve as an alternate as we await recommendations or petitions for candidates to fill the vacancy on the board. Unfortunately, Warren is no longer available. We may be able to get by with two members, but it would be better to have three. With the hearings occurring in September, it will be faster to for the BOS to appoint an alternate than a replacement.

Thanks.
